against a credible immensely detailed rock and roll backdrop It is also a moving meditation on loyalty and friendship Written with wit elegance and passionate conviction The Five reaffirms McCammon s position as one of the finest most unpredictable storytellers of our time At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied

**Wish I Were Here** Mark Kingwell,2019-04-08 Are you bored of the endless scroll of your social media feed Do you swipe left before considering the human being whose face you just summarily rejected Do you skim articles on your screen in search of intellectual stimulation that never arrives If so this book is the philosophical lifeline you have been waiting for Offering a timely meditation on the profound effects of constant immersion in technology also known as the Interface Wish I Were Here draws on philosophical analysis of boredom and happiness to examine the pressing issues of screen addiction and the lure of online outrage Without moralizing Mark Kingwell takes seriously the possibility that current conditions of life and connection are creating hollowed out human selves divorced from their own external world While scrolling swiping and clicking suggest purposeful action such as choosing and connecting with others Kingwell argues that repeated flicks of the finger provide merely the shadow of meaning by reducing us to scattered data fragments Twitter feeds Instagram posts shopping preferences and text trends captured by algorithms Written in accessible language that references both classical philosophers and contemporary critics Wish I Were Here turns to philosophy for a cure to the widespread unease that something is amiss in modern waking life

**Thorn Tree** Max Ludington, 2024-04-16 Terrifically vivid stirring New York Times A beautifully wrought novel on the aftershocks of the heady but dangerous late 1960s and the relationship between trauma and the creative impulse Now in his late sixties Daniel lives in quiet anonymity in a converted guest cottage in the Hollywood Hills A legendary artist he's known for one seminal work Thorn Tree a hulking welded scrap metal sculpture that he built in the Mojave desert in the 1970s The work emerged from tragedy but building it kept Daniel alive and catapulted him to brief reluctant fame in the art world Daniel is neighbors with Celia a charismatic but fragile actress She too experienced youthful fame hers in a popular television series but saw her life nearly collapse after a series of bad decisions Now a new movie with a notorious director might reignite her career A single mother Celia leaves her young son Dean for weeks at a time with her father Jack who stays at her house while she's on location Jack and Daniel strike up a tentative friendship as Dean takes to visiting Daniel's cottage but something about Jack seems off Discomfiting strangely intimate with flashes of anger balanced by an almost philosophical bent Jack is not the harmless grandparent he pretends to be Weaving the idealism and the darkness of the late 1960s the glossy surfaces of Los Angeles celebrity today and thrumming with the sound of the Grateful Dead the mania of Charles Manson and other cults and the secrets that both Jack and Daniel have harbored for fifty years Thorn Tree by Max Ludington is an utterly compelling novel
