**No Mate of Mine** ,2015 Bound and Bonded Book 5 Can be read as standalone Everyone at the Bound and Bonded Club and the Washington Pack believes that Roger has never wanted to have a mate because he is too busy having fun with the variety of subs the club has as members No one knows that Roger did in fact meet his mate ten years before Problem was the boy was literally that only twelve years old and Roger left him alone thinking his mate would be safe in his home pack until he was ready to settle down He was wrong Cameron Slater didn t want to be born an Omega wolf especially not in a homophobic pack When he was kicked out after his first shift he spends two years on the streets before being taken in someone calling himself Master Donoghue Four years later and Cam was wishing for death anything would be better than having to service his sadistic Master and his sick friends A rescue mission rabid vampires with a taste for Omega blood and an overly possessive sub are just some of the obstacles standing in the way of an HEA for these two men Is being Fated Mates enough to withstand the storm or will Cam be dead before he and Roger have a chance to build a life together Warnings this is a gay shifter true mate story Includes BDSM references although no actual scenes reference to past abuse a sweet Alpha wolf who will do anything for his mate and a poor Omega too afraid of his own shadow half the time and who just wants acceptance

Kaplan,2006-11-01 Some semi public exclusive male settings most noticeably in the military encourage the production of intimacy and desire Yet whereas in most instances this desire is displaced through humor and aggressive gestures it becomes acknowledged and outright declared once associated with sites of heroic death In his provocative study of interrelations between friendship in everyday life and national sentiments in Israel the author follows selected stories of friendship ranging over early childhood school the workplace and some unique war experiences He explores the symbolism of friendship in rituals for the fallen soldiers the commemoration of Prime Minister Yzhak Rabin and the national infatuation with recovering bodies of missing soldiers He concludes that the Israeli case offers an extreme instance of a much broader cultural phenomenon declaring the friendship for the dead epitomizes the political blood pact between men taking precedence over the traditional blood ties of kinship and heterosexual unions The book underscores nationalism as a homosocial based emotion of commemorative desire
