## No Nonsense Guide To:

**The No-nonsense Guide to Globalization** Wayne Ellwood, 2010 Globalisation has become one of the most used and encompassing words over the past decade of undeniable influence in economics politics and activism Globalisation is literally all around every aspect of life is affected by a global structure of communication and economy This fully revised and updated guide condenses this complex subject into clear concise commentary It examines the debt trap the acceleration of neoliberalism competition for energy resources the links between the war on terror the arms trade and the alternatives to corporate control

**The No-Nonsense Guide to World History** Chris Brazier, 2011-08-16 Most people's knowledge of world history is hazy and incomplete at best This updated No Nonsense Guide gives a full picture revealing the hidden histories and communities left out of conventional history books from the civilizations of Africa Asia and Latin America to the history of women The new final chapter includes material on the financial crisis and the world response to climate change Chris Brazier is co editor at New Internationalist His previous books include Vietnam The Price of Peace He is principal writer for UNICEF's The State of the World's Children report

**The No-nonsense Guide to the United Nations** Maggie Black, 2008 Conveys the complexity of the UN assesses its record and considers options for reform *The No-nonsense Guide to Indigenous Peoples* Lotte Hughes, 2003 Indigenous peoples have long suffered from exoticization Outsiders elevate their beauty remoteness and difference and do not see beyond this to the real problems they face The No Nonsense Guide to Indigenous Peoples looks beyond the exotic images tracing the stories of different indigenous peoples from their first and often fatal contact with explorers and colonizers Much of this history is told here by indigenous people themselves They vividly describe why land and the natural world are so special to them how it feels to be snatched from your family as a child because the government wants to make you white why they are demanding that museums must return the bones of their ancestors how can they retain their traditional culture while moving with the times and what kinds of development are positive This short guide discusses all this and more raising countless issues for debate

**No-Nonsense Guide to International Development** Maggie Black, 2007 [The No-nonsense Guide to Global Media](#) Peter Steven, 2003 The power and influence of the mass media grows daily crucially affecting the way all of us see and understand each other The No Nonsense Guide to Global Media introduces readers to the political economy of the major media film television radio recording publishing and the Internet Peter Steven looks at the ever greater concentration of ownership and at the convergence of technologies and media functions At the same time he emphasizes the diversity of local media production and media around the world The media is more than the economics of ownership and the technology of production he stresses it is also audiences in all their annoying and wonderful diversity *The No-Nonsense Guide to Science* Jerome Ravetz, 2006-11-01 Science is the great intellectual adventure but can also be an instrument of profit power and privilege Wrongly used it might yet make the twenty first century our last To make sense of this we need to let go of old ideas and

assumptions This No Nonsense Guide to Science introduces a new way of thinking about science moving away from ideas of perfect certainty and objectivity We must accept uncertainty and ignorance in the field as well as the need for citizens participation in the policies involving science

**The No-nonsense Guide to HIV/AIDS** Shereen Usdin,2003 Tells the story so far looking at the origins of the disease the way it spreads and examining the profits made by drug companies women s special vulnerability and the positive action being taken by people and communities to fight back back cover

**Taking Out the Trash** Jennifer Carless,1992-05-01 Taking Out the Trash is a practical and useful guide to how individuals businesses and communities can help alleviate America s garbage crisis

The No-nonsense Guide to the Arms Trade Gideon Burrows,2002 The ending of the Cold War was supposed to increase global security and divert expenditure previously earmarked for arms purchases to more constructive ends Instead the arms trade has flourished Not only conventional arms but also police and surveillance equipment have been provided by Western countries seeking to make a profit from conflict in unstable parts of the world Foreign debt has remained high development has been held back and human rights have been systematically abused all with the connivance of an arms trade prepared to turn a blind eye to the uses to which increasingly sophisticated weaponry is put so long as hefty profits can be reaped This disturbing book names the players in the arms trade and charts the impact that it has had on war human rights and development The financial and trade mechanisms that permit the arms trade to continue are revealed amid sordid tales of bribery and corruption Gideon Burrows concludes his examination by reviewing the ways in which this trade can be controlled or even abolished

The No-nonsense Guide to International Migration Peter Stalker,2001 Includes statistics

**The No-nonsense Guide to World History** Chris Brazier,2001 This guide integrates concisely the conventional narratives of history with the stories of the continents and communities of Asia Africa and Latin America

The No-nonsense Guide to Sexual Diversity Vanessa Baird,2001 A survey of the history and geography of sexually unconventional behaviour Includes a country to country survey of the laws affecting sexual minorities

**The No-Nonsense Guide to World Health** Shereen Usdin,2007 A history of modern healthcare shows that public health is largely determined by socio economic factors

*The No-nonsense Guide to Fair Trade* David Ransom,2006 The case for fair trade and its success stories all now under threat from corporate takeover

The No-nonsense Guide to Democracy Richard Swift,2002 Swift explores how democracy is constricted and deformed by economic power brokers and a self serving political class from Birmingham to Bangalore Including chapter length discussions of topics such as eco democracy democratizing the economy and democracy in the southern hemisphere the book is also a guide to the rich diversity of forms of elected government and contains practical ideas for empowering today s voters around the world

**The No-Nonsense Guide to Global Surveillance** Robin Tudge,2011-03-22 Spying once the province of the KGB CIA and MI5 has become part of everyday life Governments routinely trawl our emails CCTV cameras follow us on every street while state databases of our DNA become larger all the time This book shows the extent to which

Big Brother is watching us all      **The No-nonsense Guide to Class, Caste & Hierarchies** Jeremy Seabrook, 2002 With globalization traditional societies are being replaced by an international working class and a small minority of the global rich In such a situation who is to guarantee social justice      **The No-nonsense Guide to International Development** Maggie Black, 2002 All too often what passes for development improves life for the better off while actively hurting the very people the venture was meant to support back cover      The No-nonsense Guide to Water Maggie Black, 2004 Water sustains life without it humans cannot survive for more than a few days And yet this precious fluid is becoming increasingly politicized as the debates about control and ownership of water itself and of the many organizations which govern its use gain force Maggie Black explores the many roles water plays in human life and as the defense of water rights looks set to become an explosive issue provides a clear overview on the vital issues of distribution technology irrigation land use and commodification
