review Milla and Honey have been best friends since forever Milla envies Honey's confidence her charisma and her big chaotic family especially when they provide a welcome escape from Milla's own small family and quiet house In their close knit Jewish community the two girls do everything together from delivering meals to an ill tempered elderly neighbor to shopping at a local thrift store celebrating the holidays and going to their first bat mitzvahs while studying for their own So when Honey joins Milla's school for sixth grade why is it not as great as Milla expected Can their friendship survive all the ups and downs the year has in store for them And will Milla ever find the courage to step out of Honey's shadow and into her own spotlight Charming authentic and wise Honey and Me is a classic coming of age story filled with relatable middle school struggles keen insight and sparkling humor
