No Such Thing As Werewolves:

The Werewolf Drac Von Stoller, 2011-12-10 It is said that if something is dead it might just be a good idea to leave it alone especially if it is evil We all know that there is always someone who can't leave well enough alone Luther was one of those that wasn't scared of anything especially if it was dead and buried Luther felt superior over something buried six feet underground because he knew he was safe if he danced on their grave or desiccated it in any way Then one day some of his friends dared him to dance and desiccate the grave of a man that legend has it was a real werewolf located deep in the woods buried near a stream by an abandoned house The werewolf's wooden tombstone read Whosoever disturbs my sleep when the moon is full will surely die at the hands of the werewolf Luther thought the legend was hogwash and what was an easy dare Luther agreed to the dare and said You guys are a bunch of fools There are no such things as werewolves Luther you can only go through with the dare if there's a full moon if not the dare is no good and you will be the laughingstock of all your friends said Jason Don't you worry I won't let my friends down said Luther Luther waited until the moon was full and called Jason so he would have proof Jason told Luther to videotape himself dancing on the werewolf's grave and saying the words there are no such things as werewolves three times Everything was going as planned Luther danced on the werewolf's grave and right as Luther said There are no such things as werewolves on the third time the werewolf's hand came out of his grave and grabbed Luther's ankle Luther fell to the ground looked at his ankle and couldn't free himself Then the werewolf emerged from his grave The werewolf howled and said So there are no such things as werewolves

Something Magic This Way Comes Martin H. Greenberg,Sarah A. Hoyt,2008-03-04 In the earliest days of humankind everything in the world seemed magical Gods and demons spirits and sprites were considered to be responsible for everything from life and death to the turning of the seasons to the abundance or failure of crops Today much that was once attributed to magic has been explained by science and in our technologically driven world the question is whether there is still a place for magic For twenty of fantasy s finest imaginers the answer is obviously Yes So welcome to visionary modern day realms of magic where surprising things can still happen From a Gypsy fortune teller s transforming prophecy to a troubled teen seeking a haven from his family woes to a mysterious gathering of cats at Cape Canaveral and a kid out to spook his best friend into believing that werewolves are real here are stories that will amuse you or send chills down your spine or have you looking wistfully around the next corner hoping to find a bit of magic all your own
