will offer the way to God Jesus of Nazareth John 14 6 This work examines the history of Maimonides his teachings and an apologetic approach to bring the gospel back to the Jewish people Rom 1 16

Almighty God Created the Races Fay Botham,2009-12-01 In this fascinating cultural history of interracial marriage and its legal regulation in the United States Fay Botham argues that religion specifically Protestant and Catholic beliefs about marriage and race had a significant effect on legal decisions concerning miscegenation and marriage in the century following the Civil War She contends that the white southern Protestant notion that God dispersed the races and the American Catholic emphasis on human unity and common origins point to ways that religion influenced the course of litigation and illuminate the religious bases for Christian racist and antiracist movements

Ham's Sin and Noah's Curse and BLESSING UTTERANCES Nicholas Oyugi Odhiambo,2014-09-24 The thesis of this book is threefold First contrary to the increasingly popular understanding that the nature of Ham s offense was sexual we argue that this offense was nonsexual despite the presence of the phrase to see the nakedness of in Genesis 9 22 More specifically Ham s offense had less to do with seeing his father naked the seeing was accidental Rather his fault lay with his choice to disclose to his brothers what he had seen as opposed to covering the nakedness of his father Second the most probable fulfillment of the Noah s curse is 1 the servitude of the Gibeonites 2 the enslavement of the Canaanites following the conquest or 3 the dominance of Rome and Greece over Tyre and Carthage respectively the events or phenomena least associated with the curse in our view are the following 1 the service of the four kings in Genesis 14 under Chedorlaomer and

the king of Tidal 2 the subjection of the Egyptians and Babylonians by the Persians 3 the forced corv e service of the Egyptians by Pharaoh 4 the triumph of Israel over Egypt during the Exodus 5 the enslavement of the Africans and 6 the African s dark skin color Third whereas none of the proposals offered in regards to the phrase let him dwell in the tents of Shem correlate well with the exegesis of the blessing utterance we did find a viable candidate among the proposals related to the enlargement of Japheth viz geographical expansion
