Jakielski,Christina Gildersleeve-Neumann,2023-11-21 Phonetic Science for Clinical Practice Second Edition is designed to
serve as an introductory one term textbook for undergraduate phonetics courses in communication sciences and disorders
The text introduces the fundamental tool of transcription the International Phonetic Alphabet while also presenting the
science underlying that set of symbols The goal of this text is to teach students how to think about the data being transcribed
in other words how to think like a phonetician Every chapter begins with learning objectives and an Applied Science feature
which presents a research or clinical based question that can be answered by applying the phonetic science concepts covered
in that chapter By the end of the chapter students will revisit the question and be asked to solve the problem posed Students
studying communication sciences and disorders practicing speech language pathologists and audiologists will be more
successful in their clinical work if they understand the science that underlies the tool of transcription Each chapter also
offers several diverse clinical examples to review the application of concepts covered Key Features Focused on practical
clinical application and the information needed for clinical practice Did You Get It comprehension checks on the material
throughout each chapter Applied Science sections at the beginning and end each chapter to increase students curiosity about
the topic of the chapter concluding with real world clinical solutions New to the Second Edition Transcription readiness quiz
Chapter 1 with accompanying tutorials New information about disordered speech and developmental speech errors that
affect consonants Chapter 7 and new section about developmental speech errors that affect vowels Chapter 8 12 new audio
case studies that students can use to practice transcribing errors in typical speech development 12 new video case studies
that students can use to practice transcribing disordered speech Disclaimer Please note that ancillary content such as study
