Place Call Home:

A Place Called Home Kim R. Manturuk, Mark R. Lindblad, Roberto G. Quercia, 2017-09-01 Since the onset of the mortgage lending crisis and the subsequent Great Recession there has been ongoing debate about the economic benefits of homeownership. Some say homeownership remains an important contributor to wealth creation while others believe that renting is a less expensive and less risky option. This debate has raised an interesting question about homeownership: if the home is not guaranteed to provide a solid return on investment, is there a rationale for promoting homeownership beyond whatever financial benefits it may deliver? The authors' research has provided tremendous insights into the extra financial effects of affordable homeownership. It shows that homeowners, when compared with renters, have better health outcomes, experience less stress in times of financial hardship, experience a greater sense of trust in their neighbors, have access to more social capital resources, and are more likely to vote. Further, the data allows us to explore not only what benefits result from affordable homeownership but how and why these benefits are transferred. The book ultimately argues that homeownership is not only important for financial reasons but also functions as a social tool that can improve the lives of low and moderate income people.

A Place to Call Home Martha Randolph Carr, 2009-12-04 The untold success story of present day orphanages now called residential education facilities (REFs) and academies and how they fit into the spectrum of choices for children who no longer have a family to come home to every night.

A Place to Call Home? Lynda Smith, 2013-12-02 *A Place to Call Home* by Lynda Smith is set in 1936, a time between the two world wars, but Jacob's story begins in 1905. He is a Russian Jewish immigrant whose parents and younger sister are desperate to escape the escalating danger of the Russian pogroms. They embark on a long, perilous sea journey and arrive in the northwest of England where, at the age of ten years, Jacob starts a new life in his adopted country. His ambition is to be a successful businessman, and he achieves that goal. His life becomes even more complicated when he falls in love with one of his female employees. They enter into an affair resulting in the birth of a son who is blissfully unaware that Jacob is his father. Torn between his loyalty to his wife and daughters, his deeply embedded Jewish roots, and his mistress and his son, Jacob is in constant turmoil about what to do so as to cause the least amount of hurt and pain to all the people he holds dear. The story takes into account the horror of the Great War in which Jacob enlisted as a boy soldier in 1916. Threaded throughout this story are the themes of socio-economic disparity, religious bigotry, ignorance, and anti-Semitism.

A Place to Call Home Mary Ellen Stelling, Peter James Stelling, 2010 When Lenore de Quincy's father gives her the key to a bank box containing a fortune in cash and then dies, she realizes she is no longer under constraints to remain unhappily married. She abandons her husband, taking her daughter Angela with her from a provincial town in western Pennsylvania to the bright lights of Manhattan. *A PLACE TO CALL HOME* is a novel inspired by true stories set against the First World War, the Roaring Twenties, and the Great Depression. It centers around two well-to-do families joined by an arranged marriage. The action is seen through Angela's eyes as she struggles with

A Place to Call Home Dr. Tom Obondo Okoyo, 2015-11-20 A Place to Call Home is a story of refugees no community wanted to see anywhere close to them as if they were good for nothing It is an epic portrayal of a painful dilemma of thousands of homeless internally displaced persons IDPs who were victims of the highly contested and disputed presidential election The novel is a true tear jerking reflection of a botched election in December 2007 and January 2008 which culminated into a postelection violence that brutally killed almost there thousand innocent people Some were burned alive inside a church Gods territory as they called where they had taken safe haven About seven hundred thousand people were forcibly removed from their homes some took refuge at police stations while others fled to neighboring countries to remain alive Business premises vehicles and other properties worth billions of shillings were destroyed and domestic animals were stolen This spate of violence happened at a time when thousands of ethnic militias heavily armed with homemade crude weapons were chanting war slogans and singing traditional war songs everywhere in the country Loyal to their respective presidential candidates the militias roamed the streets of towns and villages making every journey perilous Enemies who got caught were beheaded and their heads were paraded or displayed on the main highways Women were seized and gang raped by the militias and got infected with the deadly HIV AIDS virus Amazingly

communities turned their backs against the combined IDPs who were looking for a permanent settlement calling them foreigners invaders or land grabbers in their own country Breathing under such horrifying circumstances all IDPs drawn from various tribes resolved to live together in peace and harmony and to prove to the world that they could live with people from other communities without any problem in spite of their language and cultural barriers The idea of living together was instilled in the IDPs by VP Nyandege who emerged as the leading light in their plight and the quest for what they could call home VP Nyandege won a special place in fellow IDPs hearts and made them believe that life was worth fighting for For seven years these IDPs have been living in squalid conditions or in makeshift camps waiting to be settled as promised by the ruling elite The IDPs lived in rough and ready dwellings with no food water toilet facilities social amenities or sanitation at all They were living in a world of their own no laws rules or culture to observe The fate of these IDPs is reminiscent of the Jews when they lived in Europe and were rejected by people in all countries after World War II and consequently had no place to call their home After seven years in isolated makeshift camps the IDPs were offered land to settle on by the Biblical Good Samaritan to prove that tribal groups once sworn enemies could live together peacefully and harmoniously And now these IDPs would like to build the countrys first utopia the same way the Israelis have transformed the desert land of Israel into another biblical Promised Land of Canaan the land of milk and honey This unfortunate event was disseminated throughout the world by the mass media

Designing a Place Called Home James Wentling, 2016-12-28 This insightful volume shares design ideas to help builders planners and architects create mass produced affordable housing that pushes suburban development in more sustainable liveable directions The author argues that improving the quality of design in our new homes and communities for greater resiliency sustainability and equality we can build neighborhoods and communities where residents feel more connected to their homes and to one another Through text photographs and illustrations the book reviews prototypical American housing design then suggest ways to both learn from the past as well as adapt for new environmental imperatives demographic changes and lifestyle needs Written by a practicing architect with 25 years of experience optimizing residential design this pioneering approach to suburban building will inspire readers to view mass produced housing through a new modern lens

A Place To Call Home Laurie Paige, 2011-09-15 SOMETIMES MR RIGHT IS RIGHT UNDER YOUR NOSE Zia Peters has had enough upheaval for three lifetimes Now all she wants is a chance to get back on track without the distraction of a man in her life Still when old friend Jeremy Aquilon offers his spare bedroom and a temporary job she jumps at the chance After all Jeremy has seen her at her worst and vice versa no danger of romance there Except Jeremy is hardly the boy she remembers In fact he might be the most handsome man she s ever met and her whole body knows it Can she convince him that she s changed And more important can she convince herself Canyon County Everyone deserves a second chance to find love

A Place We Call Home K. Amimahaum Ducre, 2013-01-04 Faith holds up a photo of the boarded up vacant house It s the first thing I see And I just call it the Homeless House cause it s the house

that nobody fixes up Faith is one of fourteen women living on Syracuse's Southside a predominantly African American and low income area who took photographs of their environment and displayed their images to facilitate dialogues about how they viewed their community A Place We Call Home chronicles this photography project and bears witness not only to the environmental injustice experienced by these women but also to the ways in which they maintain dignity and restore order in a community where they have traditionally had little control To understand the present plight of these women one must understand the historical and political context in which certain urban neighborhoods were formed Black migration urban renewal white flight capital expansion and then bust Ducre demonstrates how such political and economic forces created a landscape of abandoned housing within the Southside community She spotlights the impact of this blight upon the female residents who survive in this crucible of neglect A Place We Call Home is the first case study of the intersection of Black feminism and environmental justice and it is also the first book length presentation using Photovoice methodology an innovative research and empowerment strategy that assesses community needs by utilizing photographic images taken by individuals The individuals have historically lacked power and status in formal planning processes Through a cogent combination of words and images this book illuminates how these women manage their daily survival in degraded environments the tools that they deploy to do so and how they act as agents of change to transform their communities **A**
