Planting Seeds For Spiritual And Material Blessings Faith:

Planting Seeds for Spiritual and Material Blessings Marcia Batiste, 2014-11-15 God is the seed and the fruit The Gospel According to Thomas Chinedu Nnadi, 2025-08-28 Thomas grew up in the shadows of Detroit's forgotten streets where prayers echoed louder than promises kept He learned early that faith might inspire hope but money kept the lights on By twenty five armed with charm a gift for words and a ruthless determination never to be poor again he launched City of Glory Ministries What began in a rented storefront with folding chairs and borrowed microphones soon swelled into a movement Thomas preached prosperity not repentance Sow a seed he urged the desperate Give and it shall be given unto you His words were fire to the weary and fuel for his ambition Within a year he traded the bus stop for a Bentley his sanctuary overflowing while his followers sank deeper into debt But cracks spread through the empire of smoke and scripture Whispers of stolen offerings Widows left destitute A mother dead after buying her miracle Then came Marissa James an investigative journalist who saw through the designer suits and blacked out ledgers As she dug deeper the carefully polished brand of City of Glory began to crumble The breaking point arrived live on camera a desperate man stood mid sermon and shouted Where s the money Pastor Where s God in all this The eruption that followed could not be silenced Now Thomas must face the one enemy he cannot charm or deceive the truth A haunting tale of faith greed and the price of deception The Gospel According to The Visual Bible Study Guide Volume 1 Jay A. Adams, 2024-04-01 My Thomas asks when hope is for sale who truly pays name is Jay A Adams not to be confused with the author Jay E Adams who passed away in 2020 This is my 1st Volume of several planned other Volumes as the Lord leads me of this Guide I ve been a teacher of the Word going back 30 years and being led by the Holy Spirit I saw a great need for a Visual Bible Study guide and especially for the more Difficult topics passages doctrines in scripture My own personal background is I was born again as a young boy grew up in a Southern Baptist church have belonged to a few other denominations But the Christian life is about relationship with Christ not a denomination important than any denomination **Oral Roberts and the Rise of the Prosperity Gospel** Jonathan Root, 2023-04-20 In 1946 God gave Oral Roberts a new Buick And this just one of many miracles the young broke preacher learned to expect as Oral Roberts would go on to build an evangelistic ministry worth millions of dollars a medical complex and a university How do we interpret the life of a man who seemed to combine rampant consumerist excess with a sincere devotion to the gospel Seeking to answer this question Jonathan Root weaves together accounts of Oral Roberts s life in a balanced and engaging narrative This fresh biography covers Roberts s early life during the Great Depression in Oklahoma his family s financial struggles during his early career as a Pentecostal preacher his healing ministry s explosive growth in popularity via the new media of radio and television and his empire s eventual collapse Root pays special attention to how Roberts introduced the prosperity gospel to American Protestants with his affirmation that God intends his followers to be both spiritually and physically fulfilled Root s engaging narration looks to primary sources on Roberts s life as well as the

mythologized stories he told years later The man who emerges is both deeply flawed and entirely earnest in his devotion to Christ Oral Roberts and the Rise of the Prosperity Gospel will be an absorbing read for all those interested in American religious history and one of its most colorful figures **Faith and Learning on the Edge** David Claerbaut,2004 Beginning with an autobiographical journey through his disappointing experiences with faith and learning both in his student and professorial career in Christian colleges David Claerbaut addresses the issues of faith and learning in higher education

Thomas Anderson, 2008-09-05 This newly revised and expanded edition decries the myth that Christians must be poor and gives readers the keys to financial prosperity Dr Anderson combines biblical principles with expert financial advice equipping readers with the tools they need to attain the riches they deserve An invaluable resource for current or would be investors or entrepreneurs this book not only inspires readers to become educated about finances but also spurs them on to action and compels them to move forward confidently to achieve their financial dreams New content includes callouts and new chapters on how to invest safely in today s market and on understanding that Jesus wasn t poor Rediscovering Jesus in Our Places Elia Shabani Mligo, 2020-05-28 The question of contextual theology and its relevance to Africa in this time of globalization whereby there are rampant uncontrolled changes in cultures technologies economic policies and even people s religious lives is very urgent How is contextual theology relevant in the ever changing contexts of the church in Africa Indeed there are a number of challenges which contextual theology faces within the church in Africa which need to be addressed contextually Some such challenges include poverty rampant violence homosexuality alcoholism the resurgence of prosperity gospel materialistic prophets and incurable illnesses like Ebola HIV and AIDS and the current coronavirus COVID 19 However which context in Africa Context in Africa as in other parts of the world is always in flux it is complex and fluid There is no permanent context The experience of Jesus in such a changing context needs to be rediscovered depending on what transpires in each particular place at a particular time This book addresses some of the overarching challenges that face contextual theology and how such challenges should be addressed by the church in Africa in contemporary ever changing context for it to be relevant in Africa It also highlights the need to move from liberation and inculturation theologies to reconstruction theology in dealing with the challenges of the current church Hence the book is important to students and scholars engaging in practical systematic biblical and contextual theologies in all their branches The Use and Abuse of the Spirit in Pentecostalism Mookgo S.
