Dialogues of Plato Selections from the Translations of Jowett, B Plato,1927 OF ALL philosophers it is Plato who most persuasively invites the reader by the fertility of his thought and the magic of his style Not only do his writings contain the germs of most of the problems that philosophers still discuss but his prophetic vision has often discerned beyond the wilderness of disputation a promised land Nevertheless Plato was not a mere system maker he preferred rather to cast his thought in the form of vigorous dialogues in which the reader may perceive the conflicting currents of thought Hence the
