Using Assessments to Teach for Understanding Judith Shulman, Andrea Kay Whittaker, Michele Lew, 2002 A companion to Facilitator's Guide to Using Assessments to Teach for Understanding this casebook presents the challenges and dilemmas that teachers face with the contemporary climate of high stakes accountability The cases provide an opportunity to collaboratively analyse and reflect on issues

The Assessment Debate Valerie J. Janesick, 2001-11-14 An authoritative reference on one of education's hottest topics describing how the latest testing and assessment tools can be used to help improve student performance In this comprehensive review of the wealth of techniques by which students can be assessed Valerie J. Janesick points out that the politics of schooling often gets in the way of student progress High stakes standardized testing is frequently based on poorly constructed unfair tests that encourage teaching to the test which actually impedes educational goals Authentic testing relies more on essays and writing samples performances demonstrations and role plays Although it is fairer and provides a measure of student growth and progress it requires more effort by teachers who also require extra training Besides discussing authentic assessment in detail The Assessment Debate includes a chronology an annotated directory of organizations supporting performance assessment a list of state coordinators for testing reform and state by state report cards
