## **Ruined Tails Tale Guide:**

*Faker's Guide to the Classics* Michelle Witte, 2013-05-21 DIV With a chatty voice and sarcastic style *The Faker's Guide to the Classics* condenses the great but long and often complicated novels plays and poems into bite size nuggets of info that are easy to digest cutting out the bloated analysis and nauseating debate of other reading guides From *Anna Karenina* and *Beowulf* to *Ulysses* and *Wuthering Heights* each of the 100 books profiled here is a classic that everyone talks about but only hardcore lit majors have actually read Now with *The Faker's Guide to the Classics* you too can Reminisce about books you were supposed to read for class but didn't fudge literary discussions at fancy parties impress a date with your incredible knowledge and wit and cut through the ivory tower of world letters to read like a ninja Each entry contains a quick and dirty narrative description of plot points and overall story including significant twists and surprise endings told with humorous brevity famous quotes from each work accompanied by smartass responses the original cover or an illustration conveying the work's tone or lack thereof Brief author bios including misdeeds and scandals add illuminating and occasionally disgusting background to each work All of the text appears in simple contemporary English so it's easy to understand and short enough to tweet With this must have guide there's no more need to worry whether a reference to Miss Havisham is an insult or to wonder what happened to Moby Dick Not reading the classics has never been easier div **The Animated Movie Guide**

Jerry Beck, 2005-10-28 Going beyond the box office hits of Disney and Dreamworks this guide to every animated movie ever released in the United States covers more than 300 films over the course of nearly 80 years of film history Well known films such as *Finding Nemo* and *Shrek* are profiled and hundreds of other films many of them rarely discussed are analyzed compared and catalogued The origin of the genre and what it takes to make a great animated feature are discussed and the influence of Japanese animation computer graphics and stop motion puppet techniques are brought into perspective Every film analysis includes reviews four star ratings background information plot synopses accurate running times consumer tips and MPAA ratings Brief guides to made for TV movies direct to video releases foreign films that were never theatrically released in the U S and live action films with significant animation round out the volume **A Modern Girl's Guide To The Perfect Single Life**
