The Oily Marriage Eghagha, Hope, 2018-03-21 The Oily Marriage Professor Hope Eghagha's third published play delves into the socio-cultural and political conflicts conflicting emotions and dilemma which the discovery and exploitation of crude oil present to the people of the Niger Delta in Nigeria It functions at the personal level and the level of inter-ethnic relations and how sometimes the solutions to problems become intertwined with and undermined by selfish and personal interests The image of the exploiter looms large in the play as business and commerce are locked in mortal combat for the soul of the region How these issues play out in the twenty-first century is the concern of the playwright in this fast-moving drama of ideas Branded Candace Havens, 2016-09-19 I was hooked from the first page It sizzles with sexy tension and Cole is HOT

Jennifer Blackwood USA Today bestselling author I have my hands full taking care of my little sister and covering for my uncle as ranch foreman The last thing I need is a Texas princess like Callie Llewellyn getting up in my business and messing with my head All I can think of is getting up close and personal with those curves of hers And being on the edge of discovery makes our quick and dirty encounters twice as hot And that's all they are quick and dirty there's nothing deeper going on here There's only one rule to keeping my job and a roof over my sister's head stay away from the boss's granddaughter But I'm not always great at following the rules

No Falling Allowed Melissa West, 2016-07-18 My life just went South Twenty four hours That's how long it took my life to flip upside down Wake up in bed alone after the best night of my life Check Get fired instead of the promised promotion Check Wealthy parents cut me off when I refuse to follow their path for my life Check Now I'm in Cricket Creek SC a place where no New Yorker belongs disowned and broke with a new job that I can't mess up Oh yeah and staring at my one night stand who happens to be the complete opposite of my type Southern Cocky Bartender Noah Hunter never should have made it back to my apartment in NYC and I definitely shouldn't be in his small town But fate had another plan Or a horrible sense of humor Who knew Mr Wrong could feel so right Each book in the No Kissing Allowed series is a standalone full length story that can be enjoyed out of order Series Order Book 1 No Kissing Allowed Book 2 No Falling Allowed

The Finn Factor Rachel Bailey, 2015-09-28 A new adult

romance from Entangled's Embrace imprint Sometimes all a girl needs is a little practice It's been twelve months three days and eleven hours since accounting student Scarlett Logan made it past a second date A pitcher of mojitos in hand she employs her supreme graphing skills to narrow things down to one horrifying explanation Kissing Clearly someone needs to teach her how to kiss properly Like say her best friend and roomie Finn Mackenzie He's safe he's convenient and yeah maybe just a little gorgeous Finn knows exactly why Scarlett's boyfriends are disappearing quickly Him Not a single guy she's brought home is nearly good enough And he'll be damned if he lets some loser give her kissing lessons No He'll do the

honors thank you very much The moment their lips touch though everything turns upside down But Scarlett deserves the one thing Finn can't give her And if he doesn't put an end to the sexy little shenanigans he'll teach Scarlett the hardest lesson of all heartbreak

Rush Shae Ross,2016-05-09 They're changing the rules College Quarterback Preston Rush is living the dream He's leading his team to the National Championship and days away from earning a first round draft pick label When he meets Little Bo Peep at a Halloween party he thinks he's scored big Instead he wakes up in a jail cell with the corseted beauty Because of him she's in trouble and when he discovers her true identity he realizes his nightmare is just beginning The always shooting for perfection Priscilla Winslow can't believe her good deed has cost her a soccer career Even though she knows it isn't Preston's fault she can't forgive him for the disaster that is her life She just wishes her damn body would get the message Every time she sees him it's all she can do not to kiss him When everything crashes down around him Preston will have to decide if doing the right thing is worth losing it all

The Problem of Human Life Alexander Wilford Hall,1880 *Definitely, Maybe in Love* Ophelia London,2013-10-28 Definitely Maybe in Love is a modern take on Pride and Prejudice that proves true love is worth risking a little pride Spring Honeycutt wants two things to ace her thesis and save the environment Easy right Uh No When her professor suggests with a few changes the thesis could be published she's willing to do whatever it takes to make that happen Except that means forming a partnership with the very hot very privileged very conceited Henry Knightly He's her polar opposite and pushes all her buttons When she finds there's more to Henry than his old money and argyle sweaters it's hard not to like him a lot Suddenly choosing between what she wants and needs puts Spring at odds with everything she believes in

Talk British to Me Robin Bielman,2017-06-19 As the Dating Guy on L A's top morning show I give the single guy's perspective on dating love and sex and I give great advice Everyone's hooking up well except for me Sure I can get any woman I want but I've got a no relationship clause in my contract and the only woman I want has relationship written all over her Probably stamped on her ass too And wouldn't I like to confirm that Unfortunately she wants nothing to do with me At all Something about the next Ice Age might have even come up in her rebuttal Adorable Because she's determined to ignore what one simple kiss proved she wants me as badly as I want her Everything in me is screaming to go after her but I've got a secret that I'm fairly certain will end up with her roasting my nuts over an open fire So job on the line Check Nuts on the line Check Can't get her out of my head Nail meet coffin But what a way to go Each book in the Wherever You Go series is STANDALONE Talk British to Me Lips Close to Mine Too Hard to Resist

Tangled Transformations Kiran Klaus Patel,2024-08-30 Tangled Transformations presents a historical analysis of the interplay between German unification and European integration from the mid 1980s to the mid 1990s Building on freshly released documents the book's sixteen chapters explore constellations in which the two processes accelerated and informed one another The book highlights the role of Germany's neighbours to the east with chapters discussing the cotransformation between East and West as well as chapters dedicated to Poland Romania and Hungary It sheds new light on

the two interrelated processes by examining the role of Germany's most important Western neighbours and partners the United States the United Kingdom France and Italy The book pays particular attention to the role of the European Commission as well as to monetary and industrial policy It also moves beyond the economic sphere by discussing foreign and security policy issues justice and home affairs German debates about European integration at the time and the significance of the German federal states Ultimately *Tangled Transformations* demonstrates the strong interlinkages between German unification and European integration

Tangled Vines Free Raina Mooncrest, AI, 2025-02-27 *Tangled Vines Free* dives into the high stakes world of jungle survival revealing how resourcefulness and cutting tools can be the keys to escaping deadly traps This book explores the human capacity to overcome extreme challenges focusing on the mental resilience needed when facing unexpected dangers Readers will gain insights into how simple tools like machetes and knives become essential for neutralizing complex traps The book uniquely blends practical techniques with an understanding of trap mechanics fostering a proactive approach to wilderness survival The book progresses systematically starting with an overview of common jungle trap types from basic snares to elaborate pitfalls Subsequent chapters detail the selection maintenance and skillful use of various cutting tools demonstrating their effectiveness in different scenarios Did you know that indigenous populations have historically used sophisticated trapping methods for both hunting and defense Also understanding the psychology of fear is as important as physical skills when facing a trap *Tangled Vines Free* is a valuable resource for outdoor enthusiasts survivalists and anyone seeking to enhance their wilderness survival skills

The Iron Cage of Liberalism Daniel P. Ritter, 2015 Over the last forty years the world has witnessed the emergence and proliferation of a new political phenomenon unarmed revolution This book explores why some nonviolent revolutionary movements lead to unarmed revolution and others result in devastating failure

Beyond Legal Positivism Whitley R. P. Kaufman, 2023-10-28 Legal Positivism has been the dominant school of legal philosophy for much of the last century despite its many critics Its central tenet has long been that there is no necessary connection between law and morality This book provides a broad but clear and jargon free account of the central objections to the theory and why those objections are sufficient to show that legal positivism is no longer tenable This includes a broad critique of the purported distinction method of legal positivism the idea of conceptual analysis as well as a detailed assessment of the most influential of all legal positivist theories that of H L A Hart The book also provides a defense of the natural law school which holds in contrast to legal positivism that the authority of law arises from its intrinsic connection to morality The author demonstrates that most of the criticism of the natural law school arises from a caricatured account of that doctrine for instance the idea that it requires substantive theological commitments or particular conceptions of human nature In contrast the author presents an account of natural law theory that is grounded in a commitment to moral truth but not to any theological beliefs The nature of law can only be understood

in terms of its moral function to provide a clear set of moral rules that are required for a society to function effectively
