Where Heaven is Now Priscilla Ford, 2020-02-17 He that loveth his life shall lose it and he that hateth his life in this world shall keep it unto eternal life John 12 25 The words that Jesus spoke are so often misunderstood that people pretend they are not in the Holy Bible It is human nature to destroy those people and those things which they do not understand How do you feel while you know exactly when you re going to die Where Heaven Is Now will try to answer this question and many more A man does descend from the clouds of heaven and his name just happens to be Jesus Life is what s happening while most people are making other plans The recognition of Christ becomes virtually impossible if it is not recognized in one s self So this man Jesus arrives via parachute in a small town in Ohio It turns out to be quite an experience and somewhat of an adventure People have often asked the question What would Jesus say or What would Jesus do The end of the world is an individual thing and so is entering heaven It s human nature to feast on mass hysteria and look forward to sensational occurrences So many years of preaching and singing about something that never

happens becomes unnecessary to the meaning The book is enjoyable to read and thought provoking **Baking Yesteryear** B.
