

A high-angle photograph shows a person's legs and hands as they work on the roof of an RV. The person is wearing dark trousers and is holding a heat gun, which is pointed at a patch of the roof. The roof surface is light-colored and textured, possibly fiberglass or rubber. There are some electrical components and a vent on the roof. A white pipe is visible on the right side. The text 'RV Roof Repair: Fiberglass, Metal, and Rubber Roof' is overlaid in green on a semi-transparent white box at the bottom.
