Freemasonry in Context Art DeHoyos, S. Brent Morris, 2004-01-01 Freemasonry has had a long enduring and yet at times largely invisible influence on American culture and society The decreased visibility of Freemasonry has to do directly with there being very few scholarly resources on the subject In the history of the United States reaction to Freemasonry led to America s first third party the Anti Masonic Party Much of America s social safety net from the Civil War to the Second World War was provided by the orphanages retirement homes and insurance programs of Freemasonry Freemasonry has also influenced the development of other fellowships Knights of Pythias Elks Moose Woodmen of the World and Knights of Columbus to name a few At its peak in 1960 Freemasonry claimed 4 2 million members one out of every twenty males in the United States In Freemasonry in Context History Ritual Controversy editors Arturo de Hoyos and S Brent Morris feature work by renowned Masonic scholars Essays explore the rich and often controversial events that comprise the cultural and social history of Freemasonry Other essays discuss the function and development of ritual rites and practices The scholarship in this volume represents ten years of scholarly investigations by the Scottish Rite Research Society Freemasonry in Context is the most authoritative compendium of Masonic scholarship available Contained within this volume is the most erudite scholarly reflection on an enormous body of research conducted by academic historians and Masonic authors Sacred Secrets Mike Neville, 2012-06-01 Who were Tubalcain Aholiab and Zabud and what is their significance for the Freemason There is a general interest in the rituals of Freemasonry generated in part by the apparently obscure references they contain This is the only book that offers a guide to the stories used in Masonic ritual and their links to the Bible and Christianity The new Mason is directed to a serious contemplation of the Volume of the Sacred Law but that is easier said than done without a grounding in the Scriptures something that fewer and fewer people have The historical and geographical setting of the Bible is explained here making such contemplation easier for Mason and non Mason alike Mike Neville has systematically cross referenced the most influential Chapters of the Bible to the ceremonies It is his intention to get Freemasons to understand the ritual not just to memorise and regurgitate as well as to elucidate for the non Mason Sacred Secrets will aid the clergy theologians and any other person interested in Freemasonry to see the links between ritual and scripture Freemasons, World Order, and Mind Wars Nicolas K. Laos, 2016 Many have speculated on the role played by Freemasons in launching the French and American Revolutions and in today s Bohemian Grove and other secretive forums where world events seem to be shaped This book presents the history of Freemasonry in a philosophically rigorous and eloquent way and proposes a new philosophically significant and historically meaningful Freemasonic path Along the way the author casts light on important little understood aspects of world history presenting an enlightening narrative of world events Dr Nicolas Laos is the Founder and President of the autonomous international Freemasonic and scholarly fraternity United Traditionalist Grand Sanctuaries of the Ancient and Primitive Rite Memphis Misraim He names many of the prominent men who have been

members over the centuries and provides a history of Freemasonry and discusses how the movement spread how it relates to religion international affairs and world history and the symbolism used      **Duncan's Masonic Ritual and Monitor** Malcolm C. Duncan,2012-08-15 Explained and interpreted by copious notes and numerous engravings Duncan s Masonic Ritual and Monitor will be a cherished possession of any Mason who receives it Retaining all the traditional charm of McKay s Standard Edition this volume includes both the Guide to the Three Symbolic Degrees of the Ancient York Rite and to the degree of Mark Master Past Master Most Excellent Master and the Royal Arch as written by Malcolm C Duncan      The Freemason's Chronicle ,1879      Freemasonry John Sebastian Marlow Ward,1925      The Shadow of Solomon Laurence Gardner,2007-03-31 What ancient mystery lies behind the creation of Freemasonry a lost secret so powerful that the Brotherhood itself has been on a quest to find it for three hundred years For those of us lacking the resources to excavate occult secrets hidden beneath the Louvre or the Rosslyn Chapel or within CIA Headquarters The Shadow of Solomon is the next best thing These pages reveal the true secrets of Solomon from masonry to magic Laurence Gardner s personal experience as both a Templar and a mason makes this fascinating journey through the history of the Bible Knights Templar Freemasons and everything that followed all the more striking and immediate Is it an accident that the world s attention should be turned to these men and their strange lexicon of symbols and secrets RIGHT NOW What will happen when we understand that there is something we all have in common that is greater than nation or religion Freemasons are often said to be the world s most influential secret society yet the story of this enigmatic fraternity is wrapped in mystery and intrigue Their involvement in shaping political world events has stretched over centuries even to the extent that masonic principles lie beneath the establishment of the United States and its Constitution The Shadow of Solomon is the definitive insider s account of the startling truth behind masonic history and the centuries long search that the fraternity has undertaken to find its own lost secrets      *The Foundations of Modern Freemasonry* Ric Berman MA,2022-01-01 Following the appointment of its first aristocratic Grand Masters in the 1720s and in the wake of its connections to the scientific Enlightenment Free and Accepted Masonry became part of Britain s national profile and the largest and most influential of Britain s extensive clubs and societies The organisation did not evolve naturally from the mediaeval guilds and religious orders that pre dated it but was reconfigured radically by a largely self appointed inner core at London s most influential lodge the Horn Tavern Freemasonry became a vehicle for the expression of their philosophical and political views and the Craft attracted an aspirational membership across the upper middling and gentry Through an examination of previously unexplored primary documentation Foundations contributes to an understanding of contemporary English political and social culture and explores how Freemasonry became a mechanism that promoted the interests of the Hanoverian establishment and connected the metropolitan and provincial elites The book explores social networks centred on the aristocracy parliament the learned and professional societies and the magistracy and provides pen portraits of the key individuals who spread the Masonic message
