Shakespeare's First Folio Cue Scripts - Tragedies Patrick Tucker, 2024-12-30 Opening up a new window to see Shakespeare's words in a different light and gathering his intentions in a simple clear way this book presents the Cue Scripts

from the Tragedies in Shakespeare's First Folio The book invites readers to approach Shakespeare's texts the way his actors would have not studying the complete text and drawing conclusions from it but working from a Cue Script where all the lines for a particular character are written with just a two or three word cue as to when they should speak As an actor himself Shakespeare knew that his actors would have little time to do more than learn their lines for the next imminent performance for this reason he placed in the first lines of every Cue Script a range of crucial information on the character's motives and intentions Studying the cues and following the playwright's clues opens up a whole new understanding of the roles and provides a way of approaching a play that is authentic quick and creates an impactful performance Examples of Cue Script scenes along with a summary of the various clues that were written to help the original actors are included in the book A practical and unique resource for students teachers performers and directors alike Shakespeare's First Folio Cue Scripts Tragedies helps demystify Shakespeare's texts provides new approaches to scene studies and sheds new light on
