Postmodern Gandhi and Other Essays Lloyd I. Rudolph, Susanne Hoeber Rudolph, 2010-07-15 Gandhi with his loincloth and walking stick seems an unlikely advocate of postmodernism But in Postmodern Gandhi Lloyd and Susanne Rudolph portray him as just that in eight thought provoking essays that aim to correct the common association of Gandhi with traditionalism Combining core sections of their influential book Gandhi The Traditional Roots of Charisma with substantial new material the Rudolphs reveal here that Gandhi was able to revitalize tradition while simultaneously breaking with some of its entrenched values and practices Exploring his influence both in India and abroad they tell the story of how in London the young activist was shaped by the antimodern other West of Ruskin Tolstoy and Thoreau and how a generation later a mature Gandhi s thought and action challenged modernity s hegemony Moreover the Rudolphs argue that Gandhi s critique of modern civilization in his 1909 book Hind Swaraj was an opening salvo of the postmodern era and that his theory and practice of nonviolent collective action satyagraha articulate and exemplify a postmodern understanding of situational truth This radical interpretation of Gandhi s life will appeal to anyone who wants to understand Gandhi s relevance in this century as well as students and scholars of politics history charismatic leadership and postcolonialism Metal Ions in Biological
