As an American Rights and Responsibilities William N. Spencer, 2018-03-29 Rights and responsibilities what a strange collection and connection of words But words do mean things and according to our great American Constitution and quite contrary to today's popular liberal democrat beliefs we citizens really do have very many actual responsibilities how dare we insinuate such mindless drivel and very few actual rights Among those are the rights to life liberty and the pursuit of happiness not the right to happiness but only the freedom of opportunity to pursue happiness and only if one chooses to do so or so chooses not to do so Unfortunately since the onset of modern day liberal progressivism a great majority of American citizens no longer accept the obligation of any national responsibility
