## Taking on Nippon

It seems foolhardy for anyone to take on Japanese-made household appliances with their own made-in-Malaysia alternative, but that was precisely what Pensonic did as it rose from retail outlet to manufacturer.

**JOY LEE reports.**

Pensonic's retail appliance products have been around for 15 years, but the company's manufacturing arm is only now getting its feet under the table.

As the company's retail arm, Pensonic has been a household name for decades, selling a wide range of household appliances from refrigerators to air conditioners.

But now, the company is looking to expand its manufacturing capabilities, moving from a retail-only business to a full-fledged manufacturer.
