Running Of The Bride Book:

Running of the Bride Rachel Eddey, 2012-05-15 When Rachel's handsome studio exec boyfriend proposes on the Sex and the City movie set she can't fathom the dizzying adventure ahead. Accepting a once in a lifetime venue deal helps their budget but puts them on a crash course to get married in just four months and time isn't their only challenge. They battle a wacky host of vendors including a hair stylist who fakes a car accident and a makeup artist channeling Marilyn Manson all while testing their love amid tastings and tulle. Using her nervous energy productively, Rachel enters every contest she can find: winning diamond earrings, a honeymoon, a photographer, and two wedding gowns. Her pop culture obsession lands the wedding party on two hit reality TV shows. There's just one problem as the clock ticks down: Her staunch perfectionism and fear of dancing threaten to derail everything. She has to redefine perfect and embrace the mistakes or risk losing it all. Please take your seats. The wedding is about to begin.

The photobook world Paul Ernest Michael Edwards, 2023-02-28 This volume sets out to challenge and ultimately broaden the category of the photobook. It critiques the popular art market definition of the photobook as simply a photographer's book, proposing instead to show how books and photos come together as collective cultural productions. Focusing on North American, British, and French photobooks from 1920 to the present, the chapters revisit canonical works by Claudia Andujar and George Love, Mohamed Bourouissa, Walker Evans, Susan Meiselas, and Roland Penrose, while also delving into institutional, digital, and unrealised projects, illegal practices, DIY communities, and the poetic impulse. They throw new light on the way that gendered, racial, or colonial assumptions are resisted. Taken as a whole, the volume provides a better understanding of how the meaning of a photobook is collectively produced, both inside and outside the art market.
