Michigan Out-of-doors , 2007 *A Dakota Rod and Nimrod* Roger Wiltz, 2017-06-20 It was early fall 1973 and I was the high school principal in Burke South Dakota Around dawn I had gone fishing in one of the areas many stock dams in an effort to catch a few bass before my workday began I caught a good sized bass and I took it to Fernald's Grocery for official weighing It went 5 lbs 9 oz Apparently the word was out During the course of the day Pries Fahrenbacher owner and publisher of the Burke Gazette called and asked if I still had the bass He wanted a picture and a brief account of how I had caught the fish I obliged and it was in the following weeks newspaper Shortly thereafter Pries told me that people enjoyed the story and asked if I would consider penning a weekly column I welcomed the opportunity and it wasn't long before other area papers wanted to subscribe Forty four years later I decided to put some of the columns in a book along with a number of short stories written over the years That brings us to the present While a very modest writing income is a plus I much enjoy writing my column and I look forward to knocking out a new one every week Local history fascinates me and telling a little known story about my surroundings is also rewarding hence the people and places section I'm neither a talented hunter nor a great fisherman but I do have enthusiasm I also believe that for a guy who likes to hunt and fish South Dakota can't be beaten Just about everything that can be hunted in South Dakota is at least touched on in this book These include antelope deer elk buffalo coyote bobcat fox mountain lion rabbits pheasants ducks geese grouse and prairie chickens I'm also curious about what's over the next hill In choosing between a new pickup truck vs a hunt in Argentina I'll continue to drive my twelve year old Dodge Dakota rather than a late model A guy living on South Dakota teacher retirement checks and social security looks

for creative ways to hunt and fish foreign soil To that end Ive been successful as many of the hunts and fishing trips from beyond Dakota borders fill this category At the present time the outfitters mentioned in this book remain in business I strongly recommend all of them Today essential tremor and peripheral neuropathy cause me a great deal of difficulty when I hunt or fish In shooting a rifle I must have a rock solid anchor I must not touch the trigger until my scope reticle is glued to my target and I pass on most shots Numb legs and poor balance prevent me from navigating slopes Im a long way from being a role model but it would have been easy to quit Dont allow some minor handicap keep you from the field or lake Ive discovered that most fellow sportsmen and women are anxious to assist in any way they can Hopefully youll enjoy this book
