An Anthropology of the Irish in Belgium Sean O' Dubhghaill,2019-07-22 The first anthropological account of the Irish diaspora in Europe in the 21st century this book provides a culture centric examination of the Irish diaspora Focusing less on an abstract or technical definition of Irish self identification the author allows members of this group to speak through vignettes and interview excerpts providing an anthropological lens that allows the reader to enter a frame of self reference This book therefore provides architecture to understand how diasporic communities might understand their own identities in a new way and how they might reconsider the role played by mobility in changing expressions of identity Providing firsthand experiential and narrative insight into the Irish diaspora in Europe this volume promises to contribute an anthropological perspective to historical accounts of the Irish overseas theoretical works in Irish studies and sociological examinations of Irish identity and diaspora

About Britain Tim Cole,2021-06-10 A captivating glimpse of Britain then and now seen from behind the steering wheel In 1951 the Festival of Britain commissioned a series of short guides they dubbed handbooks for the explorer Their aim was to encourage readers to venture out beyond the capital and on to the roads and the by roads to see Britain as a living country Yet these thirteen guides did more than celebrate the rural splendour of this island nation they also made much of Britain s industrial power and mid century ambition her thirst for new technologies pride in manufacturing and passion for exciting new ways to travel by road air and sea Armed with these About Britain guides historian Tim Cole takes to the roads to find out what has changed and what has remained the same over the 70 years since they were first published From Oban to Torquay Caernarvon to Cambridge he explores the visible changes to our landscape and the more subtle social and cultural shifts that lie beneath In a starkly different era where travel has been transformed by the pandemic and many are journeying closer to home About Britain is a warm and timely meditation on our changing relationship with the landscape industry and transport As he looks out on vineyards and apple orchards power stations and slate mines vast greenhouses and fulfilment centres for online goods Cole provides an enchanting look at twentieth and early twenty first century Britain

Traffic Signs Manual ,2003 *Shared space* Great Britain: Department for Transport,2011-10-20 Shared space is a design approach that seeks to change the way streets operate by reducing the dominance of motor vehicles primarily through lower speeds and encouraging drivers to behave more accommodatingly towards pedestrians This Local Transport Note is mainly concerned with the use of shared space on links While it focuses on High Street environments many of its principles will apply to other types of shared space It is aimed

at assisting those designing and preparing street improvement and management schemes Particular emphasis is placed on stakeholder engagement and inclusive design where the needs of a diverse range of people in terms of disability age etc are properly considered at all stages of the development process and on sustainable design where future maintenance needs are considered as part of the design process *Mechanics And Mechatronics (Icmm2015) - Proceedings Of The 2015*
