## Tragedy Of Macbeth Act :

*The Oxford Shakespeare: The Tragedy of Macbeth* William Shakespeare, 2008-04-17 Dark and violent Macbeth is also the most theatrically spectacular of Shakespeare's tragedies. Indeed for 250 years until early this century it was performed with grand operatic additions set to baroque music. In his introduction Nicholas Brooke relates the play's changing fortunes to changes within society and the theatre and investigates the sources of its enduring appeal. He examines its many layers of illusion and interprets its linguistic turns and echoes arguing that the earliest surviving text is an adaptation perhaps carried out by Shakespeare himself in collaboration with Thomas Middleton. This fully annotated edition reconsiders textual and staging problems, appraises past and present critical views and represents a major contribution to our understanding of Macbeth. ABOUT THE SERIES For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study and much more.

**The Tragedy of Macbeth** William Shakespeare, 2021-02-23 Macbeth, a successful soldier, is visited by Three Witches who claim he will soon become king, but his ascension may be thwarted by other parties. Macbeth is driven by ambition and takes drastic steps to secure his place on the throne. After a successful military career in the Scottish army, Macbeth receives life-changing news. Three Witches deliver a prophecy stating that he will be the country's future king. He shares this information with his wife, Lady Macbeth, who is intrigued by his fate. The duo is concerned about potential threats to his position, including the king's son, Malcolm, and the army captain, Banquo. Macbeth becomes obsessed with the prophecy, committing acts of violence towards the current King Duncan, his heir, and the captain. As Macbeth's desire for power grows, so does the bloodshed across the kingdom. Macbeth is a haunting prophecy that hinges on the moral decisions of its protagonist. This captivating story highlights the many flaws of man, including ego, greed, and fear. It's a brilliant character-driven piece that's one of Shakespeare's most adapted and performed plays. With an eye-catching new cover and professionally typeset manuscript, this edition of Macbeth is both modern and readable. **The Tragedy of Macbeth** William Shakespeare, 1908 Includes index and notes.
