Naturally Vegetarian Valentina Solfrini, 2017-11-07 A stunning seasonal Italian cookbook from the creator of the award-winning blog Hortus Cuisine featuring 125 delicious all-vegetarian recipes from the author's family farm in northeastern Italy. As the daughter of an Italian farming family, Solfrini grew up eating fresh local seasonal foods but when she moved to New York City to study design, she quickly felt the damaging effects that came with eating a new diet filled with processed foods, too much meat and too few vegetables. When she returned to Italy, she embraced the seasonal vegetable-friendly foods of her youth once more and after eliminating meat from her diet, felt better than ever. Surrounded by the countryside and living on her family's farm, the inspiration to live naturally and healthfully was everywhere and she started her blog to show the world just how fresh, beautiful and healthful vegetarian Italian cooking could be. *Naturally Vegetarian* is an extension of Hortus Cuisine and will be filled with more of Solfrini's arrestingly beautiful photography of rural Italian scenery, authentic tales of Italian farm life and customs through the ages and more of the delicious vegetarian recipes her fans have come to know and love. *Naturally Vegetarian* will offer readers a glimpse of a year on an Italian farm and the recipes that come with the changing of the seasons. She also shares how to stock a whole-foods Italian pantry.
