Angelus: The War of the Will Timothy W. Young, 2016-06-18 Welcome to the other side of the looking glass. A dark gothic conflict erodes and blankets Eden in a sinful war that has seen angels rip each other apart. Throughout the centuries, the immortal blood of the divine ones has rained down and seeped within the inner workings of mortal society. The poisonous influence by angels has not only formed a breeding ground for more treacherous warfare but also an army of mortal puppets for angels to control. Who will you believe? Who will you follow? Angelus is a tabletop role-playing game focused on the strife between the angels of the Ascended and the Legion in a modern-day gothic horror setting. Players will experience an enriching background filled with strife, conviction, and fortitude when they step into the Planes of Divinity. This book includes the core rule set and the complete history and evolution of all 13 choirs, as well as a new and engaging combat system referred to as Dynamic Combat. Angelus utilizes 10-sided dice for its gameplay.
