**Psychology of the Veil** Sahar Ghumkhor, 2019-11-21 Veiled women in the West appear menacing Their visible invisibility is a cause of obsession What is beneath the veil more than a woman This book investigates the preoccupation with the veiled body through the imaging and imagining of Muslim women It examines the relationship between the body and knowledge through the politics of freedom as grounded in a natural body in the index of flesh The impulse to unveil is more than a desire to free the Muslim woman What lies at the heart of the fantasy of saving the Muslim woman is the West's desire to save itself The preoccupation with the veiled woman is a defense that preserves neither the object of orientalism nor the difference embodied in women's bodies but inversely insists on the corporeal boundaries of the West's mode of knowing and truth
