### **Venom An Elemental Assassin Elemental Assassin Series 3:**

**Venom in the Veins** Jennifer Estep, 2018-06-12      **Deadly Sting** Jennifer Estep, 2013-03-26 Against her better judgment Gin is coerced into attending a high society gala with the rest of Ashland's elite underworld. On display the priceless art collection of her deceased nemesis Mab Monroe and an excess of crime boss swagger. While not comfortable in her fancy attire Gin gets vastly more interested in the evening's events when a group of thieves bursts in and tries to seize the valuable dangerous gems. Facing a Die Hard esque scenario in which she must free hostage partygoers while herself trapped in the museum things get a little bit messy when the bloodshed begins. Let's just say that Gin should have chosen the red gown.

**Venom** Jennifer Estep, 2010-09-28 What kind of assassin works pro bono? It's hard to be a badass assassin when a giant is beating the crap out of you. Luckily I never let pride get in the way of my work. My current mission is personal: annihilate Mab Monroe, the Fire elemental who murdered my family. Which means protecting my identity even if I have to conceal my powerful Stone and Ice magic when I need it most. To the public I'm Gin Blanco, owner of Ashland's best barbecue joint. To my friends I'm the Spider, retired assassin. I still do favors on the side. Like ridding a vampire friend of her oversized stalker. Mab's right hand goon who almost got me dead with his massive fists. At least irresistible Owen Grayson is on my side. The man knows too much about me, but I'll take my chances. Then there's Detective Bria Coolidge, one of Ashland's finest. Until recently I thought my baby sister was dead. She probably thinks the same about me. Little does she know I'm a cold blooded killer who is about to save her life.

**Heart of Venom** Jennifer Estep, 2013-08-27 Gin Blanco is out for blood when a fire elemental and his goons kidnap her close friend Sophia Deveraux.

**Poison Promise** Jennifer Estep, 2014-07-22 In book eleven of her New York Times bestselling Elemental Assassin series, author Jennifer Estep continues one of the best urban fantasy series going on the market. Fresh Fiction: Gin Blanco is hard nosed, sexy and lethal. Nicknamed The Spider, she's a stone elemental assassin who brings her unique mix of magic and tact to every assignment, no matter the target. There's a new drug on the streets of Ashland and its name: Burn. It sums up the potent effect it has on its users. When one of her restaurant employees is threatened by dealers of the drug, Gin steps in to set things straight.

**The Spider** Jennifer Estep, 2013-12-24 For the first time the full origin story of Gin Blanco's transformation into the fearsome assassin known as the Spider. Book ten in the red hot Elemental Assassin urban fantasy series. How did I end up in a career where I always have blood on my hands? Well, let me tell you a story about an assassin who thought she could do no wrong. Ten years ago, a blistering hot August night, I remember like it was yesterday. The night I, Gin Blanco, truly became the Spider. Killing people is what I do best, especially now that I've honed my Ice and Stone magic. But back then I had yet to learn one very important rule: arrogance will get you every single time. This particular job seemed simple: murder a crooked building contractor with ties to ruthless Fire elemental Mab Monroe. My mentor, Fletcher Lane, had some misgivings, but I was certain that I had the situation under control right up until I exposed my weaknesses to a merciless opponent who exploited every single one of

them There s a reason assassins aren t supposed to feel anything Luckily a knife to the heart can fix that problem especially when I m the one wielding it      **Bitter Bite** Jennifer Estep,2016-02-23 Which is stronger blood ties or a battle tested friendship That s the question Gin Blanco asks when a friend s long lost relative strolls into town The suspicious reunion is a surprise for everyone and a big problem for Gin Book fourteen in the New York Times bestselling urban fantasy series RT Book Reviews calls unbeatable entertainment It s not easy being queen bee of an underworld abuzz with crooks and killers Wielding my potent Ice and Stone elemental magic will only get me so far my real secret is my tight knit makeshift family a motley crew of cops and criminals dwarves and playboys My foster brother Finnegan Lane is my right hand man but when his suddenly not dead relative comes back into the picture I m the one on the outside looking in It s funny how life works one minute your best friend is rock steady and the next he s doe eyed and buying into this whole loving relative routine to the point of ignoring you I d like to be happy for Finn I really would But all of my instincts are telling me that beneath the syrupy sweet demeanor and old fashioned charm this sudden interloper is planning something The whole shtick leaves a bitter taste in my mouth This person might have avoided the grave once but I ll put anyone who hurts Finn in the ground for good

**Spider's Trap** Jennifer Estep,2015-07-28 Relying on her Ice and Stone magic to survive her new position the queen of Ashland s underworld is forced to play a deadly game with killers crooks and thieves in which she discovers that her greatest superpower of all is her ability to keep secrets      *Snared* Jennifer Estep,2017-04-25 The sixteenth book in the New York Times bestselling Elemental Assassin urban fantasy series that RT Book Reviews calls An extraordinary series containing one of the most intriguing heroines in the genre Irony 101 The Spider herself snared in someone else s web Another week another few clues trickling in about the Circle the mysterious group that supposedly runs the city s underworld Gathering intel on my hidden enemies is a painstaking process but a more immediate mystery has popped up on my radar a missing girl My search for the girl begins on the mean streets of Ashland but with all the killers and crooks in this city I m not holding out much hope that she s still alive A series of clues leads me down an increasingly dark dangerous path and I realize that the missing girl is really just the first thread in this web of evil As an assassin I m used to facing down the worst of the worst but nothing prepares me for this new terrifying enemy one who strikes from the shadows and is determined to make me the next victim      Unraveled Jennifer Estep,2016-08-30 I might be the Spider the city s most fearsome assassin but all my Ice and Stone elemental magic hasn t done me a lick of good in learning more about the Circle Despite my continued investigations the trail s gone as cold as the coming winter So when Finnegan Lane my foster brother gets word of a surprising inheritance we figure why not skip town for someplace less dangerous for a few days Page 4 of cover      **Kiss of Venom** Jennifer Estep,2013-07-22 The New York Times bestselling Elemental Assassin series continues with a new e novella from the hero s point of view Owen Grayson is bound and determined to get Gin back if her enemies don t get her first When you have a history of dating an assassin a night out on the town can turn deadly fast Owen Grayson is still wracked with guilt over the

end of his love affair with Gin Blanco and there aren't enough gin and tonics in all of Ashland to ease his heartache. But when Gin happens to show up at the same nightclub, he isn't the only one hoping to get her alone. Some shadowy figures will do anything to take down the Spider, Gin's assassin alter ego, and Owen will do anything to protect her. This could be the way to win her back or at least give her a night off from fighting for her life if Owen can survive. *Stings and Stones* Jennifer Estep, 2023-11-28 New York Times bestselling author Jennifer Estep serves up an Elemental Assassin short story collection featuring danger, magic, and a touch of romance. Nicknamed The Spider, she's a stone elemental assassin who brings her unique mix of magic and tact to every assignment, no matter the target. There's a new drug on the streets of Ashland, and its name, Burn, sums up the potent effect it has on its users. When one of her restaurant employees is threatened by dealers of the drug, Gin steps in to set things straight. **Black Widow** Jennifer Estep, 2014-11-25 Lethal, sexy, and always ready to protect her friends, Gin Blanco aka the Spider takes on the mysterious M M Monroe in book twelve of the New York Times and USA TODAY bestselling Elemental Assassin urban fantasy series. There's nothing worse than a cruel, cunning enemy with time to kill and my murder to plan. With wicked Fire elemental Mab Monroe long gone, you'd think I could finally catch a break. But someone's always trying to take me down, either as Gin Blanco or my assassin alter ego. Now along comes the Spider's new arch nemesis, the mysteriously named M M Monroe, who is gleefully working overtime to trap me in a sticky web of deceit. The thing is, I'm not the only target. I can see through the tangled threads enough to know that every bit of bad luck my friends have been having lately is no accident, and that each unfortunate coincidence is just one more arrow drawing ever closer to hitting the real bullseye. Though new to Ashland, this M M Monroe is no stranger to irony, trying to get me an assassin framed for murder. Yet as my enemy's master plan is slowly revealed, I have a sinking feeling that it will take more than my powerful Ice and Stone magic to stop my whole life from going up in flames. **Scrye Collectible Card Game Checklist**
