

Versant English Test

The online Versant English Test assesses the ability to communicate in spoken English. It is used by organizations around the world to test the English-speaking proficiency of new or existing students and staff. It assesses the following: Overall Ability, Sentence Mastery, Vocabulary, Fluency, and Pronunciation.

This guide will help you understand the types of questions that will be asked and provides tips to help you answer them. The information can be used to develop useful strategies for the test day.

The test is divided into sections as shown in the table. Each section starts with instructions and a sample item. Each question is timed, and the total length of the test is 17 minutes.

As well as reading this guide, we recommend you request a free online [sample test](#). You can also buy a scored online [Practice Test](#) to review your skills.

Teaching and Research Martha C. Pennington, Pamela Rogerson-Revell, 2018-09-07 This book offers contemporary perspectives on English pronunciation teaching and research in the context of increasing multilingualism and English as an international language. It reviews current theory and practice in pronunciation pedagogy, language learning, language assessment, and technological developments and presents an expanded view of pronunciation in communication education and employment. Its eight chapters provide a comprehensive and up-to-date analysis of pronunciation and the linguistic and social functions it fulfills. Topics include pronunciation in first and second language acquisition, instructional approaches, and factors impacting teachers' curriculum decisions; methods for assessing pronunciation; the use of technology for pronunciation teaching, learning, and testing; pronunciation issues of teachers who are second language speakers; and applications of pronunciation research and pedagogy in L1 literacy and speech therapy, forensic linguistics, and health, workplace, and political communication. The chapters also critically examine the research base supporting specific teaching approaches and identify research gaps in need of further investigation. This rigorous work will provide an invaluable resource for teachers and teacher educators in addition to researchers in the fields of applied linguistics, phonology, and communication.

Fostering Foreign Language Teaching and Learning Environments With Contemporary Technologies Çetin Köroğlu, Zeynep Çakır, Abdulvahit, 2023-12-29 With so many new technologies becoming available to language educators today, it can seem overwhelming, and many who are eager to implement these advancements into their classrooms may not know where to start. *Fostering Foreign Language Teaching and Learning Environments With Contemporary Technologies* emerges as an essential guidebook for educators, scholars, and policymakers navigating the intricacies of modern language pedagogy. Within these pages, the journey begins by acknowledging the digital revolution that has given rise to a generation of digital natives. Drawing from John Dewey's timeless wisdom, the book echoes the urgency to equip today's learners with the tools of tomorrow. By exploring the metaverse, augmented reality, and artificial intelligence, it unravels a tapestry of innovative possibilities. Through vivid exemplars, this volume elucidates how these cutting-edge technologies can seamlessly integrate into the traditional classroom or the virtual learning space. Designed for students, professionals, educators, and scholars entrenched in foreign language education, it stands as a definitive resource. Unveiling a spectrum of topics including artificial intelligence, augmented learning for acquiring speaking, reading, writing, and listening skills, it also delves into the role of augmented reality in redefining language classrooms and vocabulary acquisition. The metaverse is unveiled as a realm of untapped potential, and learner autonomy within tech-infused classrooms becomes a focal point. It extends its embrace to encompass program designers, administrators, and practitioners unraveling the tapestry of language instruction, learning, and assessment.
