

The Verbal Judo Operator™

The Verbal Judo Operator is a master of the Art of Tactical Communications.

He/she understands words have meanings, and the delivery of the spoken word is every bit as powerful as the words themselves.

The Verbal Judo Operator seeks positive resolution to conflict through the right use of tactical communications.

The Verbal Judo Operator only wins without weapons. The Operator's objective is that the creation of a tactical communications context between the two bluffed adversaries—in some way—results both parties in a positive, constructive, and lasting context.

The Verbal Judo Operator is a Peace Warrior.

He/she is a master of both hard and soft skills where it comes to conflict resolution. The Verbal Judo Operator is an expert in masterfully managing the most dangerous and disruptive of these tactics on. The VJ Operator is prepared to use the appropriate level of physical force at any time it appears necessary to do so based upon the circumstances at the moment. While doing so the VJ Operator always seeks the appropriate solution for the client, his peers, and the public where he serves.

The Verbal Judo Operator is likewise capable of successfully interacting with the most vulnerable and fearful among us. He is kind and innocent in posture. He/she is a refuge against inequality, hate, violence, and oppression. The Verbal Judo Operator is a shield between the vulnerable and the world.

The goal of the Verbal Judo Operator is to gain voluntary compliance through the de-escalation of conflict and to resolve problems through the proper and appropriate use of Tactical Communications.
