Vermeer S Hat:

Vermeer's Hat Timothy Brook,2009-01-02 Analyzes how the works of Vermeer reflect seventeenth century life and the birth of globalization in a historical study that identifies significant objects in key paintings while explaining how they also serve to document their time s growing web of trade throughout the world Reprint 25 000 first printing **Vermeer's Hat** Timothy Brook,2010-08-01 In this critical darling Vermeer s captivating and enigmatic paintings become windows that reveal how daily life and thought from Delft to Beijing were transformed in the 17th century when the world first became global A Vermeer painting shows a military officer in a Dutch sitting room talking to a laughing girl In another canvas fruit spills from a blue and white porcelain bowl Familiar images that captivate us with their beauty but as Timothy Brook shows us these intimate pictures actually give us a remarkable view of an expanding world The officer s dashing hat is made of beaver fur from North America and it was beaver pelts from America that financed the voyages of explorers seeking routes to China prized for the porcelains so often shown in Dutch paintings of this time including Vermeer s In this dazzling history Timothy Brook uses Vermeer s works and other contemporary images from Europe Asia and the Americas to trace the rapidly growing web of global trade and the explosive transforming and sometimes destructive changes it wrought in the age when globalization really began

Summary of Timothy Brook's Vermeer's Hat Everest Media,2022-06-30T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 I was 20 years old when I bought a bicycle in Amsterdam and cycled southwest across the Low Countries on what would be the final leg of a journey that took me from Dubrovnik on the Adriatic to Ben Nevis in Scotland I was on my second day out when the light began to fade and the drizzle turned the road under my tires slick 2 The churches of Delft are decorated with paintings of the interiors that date from the seventeenth century when the town was Protestant and the Catholic religion was being purged Vermeer was a headman of the artisans guild of St Luke and he enjoyed a position of honor in the town militia 3 Vermeer s paintings are the only way to step into his world However none of them remain in Delft They were sold after he died or carted to auctions elsewhere and now are dispersed among seventeen different galleries 4 The story of Delft is similar to that of Shanghai if we consider the two cities histories from a different perspective Delft was built on land that had once been under the ocean and it depended on water sluices to drain the bogs on which it rests

Vermeer's Family Secrets Benjamin Binstock,2013-03-07 Johannes Vermeer one of the greatest Dutch painters and for some the single greatest painter of all produced a remarkably small corpus of work In Vermeer s Family Secrets Benjamin Binstock revolutionizes how we think about Vermeer s work and life Vermeer The Sphinx of Delft is famously a mystery in art despite the common claim that little is known of his biography there is actually an abundance of fascinating information about Vermeer s life that Binstock brings to bear on Vermeer s art for the first time he also offers new interpretations of several key documents pertaining to Vermeer that have been misunderstood Lavishly illustrated with more than 180 black and white images and more than sixty color plates the book also includes a

remarkable color two page spread that presents the entirety of Vermeer's oeuvre arranged in chronological order in 120 scale demonstrating his gradual formal and conceptual development No book on Vermeer has ever done this kind of visual comparison of his complete output Like Poe's purloined letter Vermeer's secrets are sometimes out in the open where everyone can see them Benjamin Binstock shows us where to look Piecing together evidence the tools of art history and his own intuitive skills he gives us for the first time a history of Vermeer's work in light of Vermeer's life On almost every page of Vermeer's Family Secrets there is a perception or an adjustment that rethinks what we know about Vermeer his oeuvre Dutch painting and Western Art Perhaps the most arresting revelation of Vermeer's Family Secrets is the final one in response to inconsistencies in technique materials and artistic level Binstock posits that several of the paintings accepted as canonical works by Vermeer are in fact not by Vermeer at all but by his eldest daughter Maria How he argues this is one of the book's many pleasures

The Man Who Made Vermeers Jonathan Lopez, 2009 Jonathan Lopez recasts an anti fascist folk hero as a Talented Mr Ripley armed with a paintbrush in a new biography of a painter who famously forged Hermann Goering's Vermeer

Vermeer und die Schärfung der Sinne Christiane Rambach, 2007-12-18 Vermeers Malerei berührt die Sinne schärft den Blick Seine einzigartigen Bildfindungen sind Teil der Sinnes und Wahrnehmungsdiskurse in den Niederlanden des 17. Jahrhunderts Kunst Philosophie und Naturwissenschaft erforschten zu jener Zeit jeder in seinem Medium und doch in gegenseitigem Austausch Möglichkeiten und Grenzen der Sinneswahrnehmung Bilder spielten in diesen nach Erkenntnis strebenden Diskursen und Darstellungen eine herausragende Rolle An ihnen ließen sich Prozesse des Sehens der Einbildung und des Gedächtnisses sinnlich nachvollziehen beschreiben und reflexiv verbildlichen Diese kulturhistorischen Parameter eröffnen das Feld Vermeers höchst erfindungsreiche Werke neu zu verstehen Seine Bilder sind von komplexen das denkende Auge des Betrachters erstaunenden und die Neugierde weckenden erkenntnistheoretischen Bildstrategien durchdrungen Die Licht und Farbgetrübten Bildräume erregen in ihrer scheinbar einfachen Narration und Motivik in besonderer Weise unsere Aufmerksamkeit prägen sich in unser Gedächtnis ein und bereichern hierdurch Körper und Seele gleichermaßen Die Autorin versteht es mit einem außergewöhnlichen Sprachgefühl dem Leser diese neue Sicht auf das Vermeer'sche Werk nahezubringen ihre Übersetzung der Bilder Vermeers macht das Buch selbst zu einem sinnlichen Genuss

Vermeer and His Milieu John Michael Montias, 2018-06-05 This book is not only a fascinating biography of one of the greatest painters of the seventeenth century but also a social history of the colorful extended family to which he belonged and of the town life of the period It explores a series of distinct worlds Delft's Small Cattle Market where Vermeer's paternal family settled early in the century the milieu of shady businessmen in Amsterdam that recruited Vermeer's grandfather to counterfeit coins the artists military contractors and Protestant burghers who frequented the inn of Vermeer's father in Delft's Great Market Square and the quiet distinguished Papists Corner in which Vermeer after marrying into a high born Catholic family retired to practice his art while retaining ties with wealthy Protestant patrons The relationship of Vermeer to his principal patron is one of many original discoveries in the book
