

## ACCESSORIES

The Standard Vespa is delivered as shown in the photograph in the front of the book; all the accessories illustrated hereunder can, however, be delivered by request, thus widening the field of use of the scooter.

A soft foam rubber pillion seat of pleasant appearance completes the efficiency of the suspension and provides a comfortable ride for the passenger (Fig. 19) as does the alternative dual seat. The pillion seat is secured on to the rear luggage carrier by means of four nuts, and washers.

A sturdy bracket for the spare wheel can be secured to the luggage carrier by means of three bolts; a spare wheel can also be supplied which does not derange the pillion passenger at all.
