high quality affordable student books for senior secondary students of Biology and Human Biology **Essential AS Biology for OCR** Glenn Toole, Susan Toole, 2004 Written by experienced authors and practising teachers the Essentials student book matches the OCR specifications for AS Biology and Human Biology BTEC National Health Studies Beryl Stretch, 2002 This is the core textbook for the BTEC National in Health Studies which runs from 2002 Written at the right level for BTEC National students the text is presented in an accessible and student friendly style with plenty of case studies tables and illustrations throughout **Biology with Human Biology** John Adds, 2001 Make the Grade in AS Biology with Human Biology has been specially written to give students comprehensive exam support for senior secondary level Biology and Human Biology It is a comprehensive revision guide for students that includes a bank of activities and questions for use throughout the course with exam questions including synoptic questions to help students fully prepare for examinations

Biology Nick Paul, 2002 This set of resources focuses on raising levels of interest and achievement in Foundation GCSE candidates It covers all major specifications preparing students for Single and Double Award sciences It has been developed from the ground up rather than using lower tier material from other resources Careful attention has been given to the language levels used Each section starts in a real world context before introducing the underlying scientific theories Exam questions are included throughout the text **Software for Teaching Science** Roger Frost, 1998 **Goat Science** Sándor Kukovics, 2018-06-20 Goat science covers quite a wide range and varieties of topics from genetics and breeding via nutrition production systems reproduction milk and meat production animal health and parasitism etc up to the effects of goat products on human health In this book several parts of them are presented within 18 different chapters Molecular genetics and genetic improvement of goats are the new approaches of goat development Several factors affect the passage rate of digesta in goats but for diet properties goats are similar to other ruminants Iodine deficiency in goats could be dangerous Assisted reproduction techniques have similar importance in goats like in other ruminants Milk and meat production traits of goats are almost equally important and have significant positive impacts on human health Many factors affect the health of goats heat stress being of increasing importance Production systems could modify all of the abovementioned characteristics of goats *Biosciences on the Internet* Georges Dussart, 2003-01-24 Most biological science departments run general skills courses for their first years which include some combination of a range of topics from lab skills writing and presentation to basic maths statistics and IT The IT section of these courses tend to include some internet coverage but the trend towards learning how to find access manage and correctly cite online resources is rapidly becoming a required necessity for every student throughout their undergraduate career At present there are no internet guides that specifically target this audience despite the increasing importance placed on the use of online resources and the difficulties students encounter trying to make effective use of the information that is available There are a lot of resources on the internet and students especially first years can feel swamped As well as needing a guide students need support to help them identify good reliable

information on the net They also need guidance in administering the organisation of their searches and the materials that they discover on the internet This simple guide will help bioscience students to access the information they need on the internet and to make the most efficient and effective use of their time online

Biology Peter Ellis,2003 These readers are designed to extend and deepen students level of scientific knowledge and understanding Topics are presented in various forms stories case studies articles and discussion pieces to stimulate and gain students interest Questions increase in difficulty in order to show students progression and help consolidate learning

Biology for Advanced Level Glenn Toole,Susan Toole,2000 This course study guide is designed to complement New Understanding Biology for Advanced Level or other physics core textbooks It aims to be a study aid by providing you with your own copy of important diagrams to clip into your notes Additional information on practical coursework hints and tips for preparing and answering all types of examination questions and support for Key Skills are also included

Understanding Biology for Advanced Level Glenn Toole,Susan Toole,1998-11-01

Nelson Modular Science Paul Collison,Peter Ellis,2003 The Nelson Modular Science series is made up of three books divided into single double and triple award modules presented in an accessible format Book 1 covers the six single award and one coursework modules Book 2 contains six double award modules and Book 3 covers the six triple award modules Each module is covered in self contained units This teacher s file includes practical support sheets and addresses Sc1 investigations Works sheets are provided to integrate the use of ICT throughout science Additional GCSE style questions and modular tests should enhance learning and recall of information
