Gender Trouble Makers Jennifer Rothchild, 2007-05-07 International development efforts aimed at improving girls' lives and education have been well intended somewhat effective but ultimately short sighted and incomplete This is because international development efforts often operate under a reductive understanding of the term gender and how it influences the lives of girls and boys Gender is more commonly conceived by international efforts as characteristics which are ascribed to girls as norms for behaviour In particular the analysis in Gender Trouble Makers focuses on the social constructions of gender and the ways in which gender was reinforced and maintained through a case study in rural Nepal In developing countries like Nepal promoting access to and participation in existing formal education programme is clearly necessary but it is not in itself sufficient to transform gender power relations in the broader society When gender is properly addressed as a process then all stakeholders involved researchers governmental officials and community members can begin to understand and devise more effective ways to increase both girl and boy students enrollment participation and success in school The Rough Guide to Nepal James McConnachie, Shafik Meghji, David Reed, 2012-01-01 The Rough Guide to Nepal offers an insider's guide to Nepal from its Tantric temples to its lively bars It details all the finest Himalayan treks with practical up to date and expert advice on where to go when and what to take It covers all the National Parks offering advice and information on everything from tracking wildlife to hiring elephants Dedicated chapters are devoted to mountain biking white water rafting and other adventure sports and there is unrivaled detail on Buddhism Hinduism and the numerous ethnic groups that make Nepal a unique destination The Rough Guide to Nepal also contains scores of detailed maps covering everything from Pokhara and the Chitwan National Park to the Everest Base Camp trek Make the most of your time with The Rough Guide to Nepal *Primary School Student Achievement in Environmental Education* Badri D.
