

## Wiring Diagram for Garage Door Control using MimoLite

**WARNING:** For this application, this device is recommended ONLY for use with garage doors / gates that comply with the latest government safety requirements (i.e. those with automatic reversing mechanisms and electronic photo eye sensors that detect obstructions). If your garage door / gate does not have these government-mandated safety features, replace or update your garage door opener BEFORE attempting this application installation.

**Note:** Some municipalities and manufacturers recommend a Horn Sounder (Pico) be connected that will provide audible warning prior to and during operations of the garage door / gate closer motor.
