The Best VBS Workbook Ever! Lisa Brown, 2017 Enables organizers to envision and implement a VBS program customized for the local church Practical comprehensive from the ground up approach to VBS Designing a Vacation Bible School program as opposed to choosing one of the many off the shelf packages is a labor of love It considers the unique perspective of children and invests accordingly It s a home cooked meal compared to fast food It sends a message to parents that a church values children enough to identify and meet their specific needs in their community at a particular moment in time Well designed VBS programs speak to children with respect love and patience offering opportunity for authentic spiritual growth not to mention an intentional theology that is reflective of the church Finally custom designed VBS programs are a way to fully include children in the mission and ministry of the church rather than confine their unique gifts This book provides Christian educators with the tools they need to assess the needs and resources in their congregation and to craft a creative program in response to that assessment The Best VBS Workbook Ever offers direction and suggestions on theme structure logistics program activities staffing and promotion Audience Episcopal and other mainline churches looking for something more original and thoughtful than typical pre packaged VBS programs Directors of Christian Education Directors of Children s Ministry Camps and Retreat Centers FORMA Kanuga Christian Education conference eFormation network

Taylor, 1998-04 **Contact**, 2003 *The Lutheran Messenger*, 1952 **The Great CoMission** Brooks St. Clair Morton, 2012-11-02 This book presupposes that pastors and seminarians deeply desire to answer the question of all questions how do I make disciples of Jesus Christ The Great CoMission Making Sense of Making Disciples is a helpful guide for pastors in the field yet meaty enough for seminarians in the classroom In The Great CoMission readers will encounter useful principles for discipleship and solid biblical theology for ministry This unique book approaches the Great Commission from a rite of passage framework therefore allowing for serious consideration of the internal mechanisms of Matthew 28 16 20 by focusing on the relationship between initiation instruction and Jesus promise to be with the church to the end of the age Morton writes from a Wesleyan cross cultural and missiological perspective avoiding the popular method of using the Great Commission merely as a holy launching pad for retelling the story of a mega church *Adult Sunday School for a New Century* Richard E.
