Sockett,Elizabeth K. DeMulder,Pamela C. LePage,Diane R. Wood,2001-09-30 Teacher professional development requires a dynamic vision of education The authors argue that teaching and teacher education are moral rather than technical or instrumental endeavors and describe a highly innovative master s program for practicing teachers founded in 1992 By describing important aspects of the program the authors demonstrate that a moral vision can be enacted in practice despite many constraints and challenges They also show that any serious attempt to change practice will of course be unwieldy contentious and subject to sudden shocks and reversals as well as successes The work also provides a compelling and detailed account of the institutional and political

conditions in higher education that militate against innovations in teacher education and professional development Authors of the chapters include the former director of the innovation the faculty who were involved in teaching and administering the program and teachers who studied with them Each chapter examines the practices pedagogically ideologically morally and professionally through the perspectives of people intimately involved with the program *Learning to Teach Physical Education in the Secondary School* Susan Capel, Margaret Whitehead, W H Duncan Professor of Public Health Margaret Whitehead, 2002-01-31 There are many teaching skills and issues covered in initial teacher education which student PE teachers must apply to their own subject However the complexity of teaching PE can make this difficult to do This book focuses therefore on the requirements of student PE teachers in relation to teaching skills and issues covered in initial teacher education courses Throughout the book the theory underpinning those skills and issues is interlinked with tasks which can be undertaken alone with another student or with a tutor The book is designed to help student PE teachers to develop teaching skills knowledge and understanding of the wider context of PE along with the ability to reflect critically and to develop professional judgement *AQA GCSE (9-1) PE* Ross Howitt, Mike Murray, 2016-08-30 Exam Board AQA Level GCSE Subject PE First Teaching September 2016 First Exam June 2018 Inspire motivate and give confidence to your students with AQA PE for GCSE This reliable and accessible textbook is structured to match the specification exactly and will provide your students with the knowledge they need while giving them the opportunity to build skills through appropriate activities Key questions to direct thinking and help students focus on the key points Summaries to aid revision and help all students access the main points Diagrams to aid understanding Attractive layout for a truly accessible textbook Definition of key terms again to aid and consolidate understanding of technical vocabulary and concepts Activities to build conceptual understanding and sound knowledge and understanding analysis evaluation and application skills **Physical Education for Lifelong Fitness** Physical Best (Program), Suzan F.
