INTRODUCTION

Long before there was a written record of most cultures, there was dance. For primitive cultures, dance commemorated births, marriages, religious occasions, deaths, political victories, wars and other events.

We normally think of dance as one of the fine arts, and so it is. But dance requires athletic as well as artistic ability. Whether we choose ballet, modern dance, jazz or ethnic dance, the movements required in dancing demand stamina, strength and endurance.

HISTORY OF DANCE

TRADITIONAL DANCE

In ancient Egypt, dance was an important part of daily life. Drawings done in the fourth century B.C. suggest that Egyptians had a fairly advanced concept of dance. Some Egyptian dances were similar to our ballroom dancing; others were like modern belly dancing.

Ancient Greece also had its dances, some quite similar to those of the Egyptians. One dance in particular became famous—a ritual in which Greek women stamped on grapes and whirled about in honor of the god Dionysus.
