behavior in children Physical Education Action Plans Challenges to Promote Activity at School and at Home contains action
plans that teachers recreation leaders and parents of children ages 5 to 13 can use to turn this tide and get kids moving and
having fun again According to national physical activity guidelines kids need 60 minutes of moderate to vigorous physical
activity daily but they don t understand the importance That s where Physical Education Action Plans comes in This handy
book and CD ROM package offers 57 engaging action plans and 19 quick activities that can be used in physical education
classes or at home with family members a rubric that comes with each action plan and guides you in assessing activity class
challenge activities for students to complete in school and take home challenges for students to do with their family and
friends Each action plan has both a class challenge worksheet and a take home challenge worksheet Children complete the
take home challenges with family members and these challenges are an integral part of promoting activity at home All class
challenge and take home challenge worksheets are found on the CD ROM which also offers other printable materials
including cards certificates and station signs that you can use during PE class The action plans are grouped around a variety
of themes fitness strength agility speed flexibility endurance physical skills skill themes and so on A comprehensive action
plan finder helps you choose just the right action plan for your students according to the NASPE standards or skills involved
Every action plan makes a real life connection for the students between the concepts of physical activity fun and meaningful
thus making their experience richer and more valuable The action plans and challenges in Physical Education Action Plans
supply kids with all the aerobic and muscle and bone strengthening activity that they need They will also enjoy the learning
playing writing thinking and planning that the challenges provide You get to offer appropriate action plans motivate kids to
get and stay active and help them learn practical life lessons And the kids receive the building blocks that will help them
remain active and healthy throughout their lives In fact they might have so much fun they ll start wearing out their shoes
