By Madam Rebecca

It seems like a given that the maid should know how to work but its not the case. Its not just a matter of scrubbing the floor or serving coffee, its all in how it is done. There is a huge difference in the way I, for example, would bring someone a cup of coffee and the way I expect my sissy maids to serve a cup of coffee and those ways will change with various circumstances.

The first step is proper appearance. The sissy maid **MUST** always be sissified in his appearance no matter what the task but that sissification will change according to the task at hand. For example. If the sissy maid is to do heavy house cleaning they should be attired in a simple maids uniform. This is not the place for 5 inch heels or lots of lace or expensive

uniforms. The sissy maid is being tasked with dirty work and a common uniform is appropriate. This does not mean that the sissy maid should be allowed to be unfeminine in any way. To be feminine in appearance, maid must always be in a properly made up and Make up must be complete lot of good to stand in front of a mirror several times a day and freshen up his lipstick! Nails must be the ultimate example of

But there is a great deal more the sissy maid must also act stooping instead of bending

contrary, the sissy maid must always act, speech and thought. A sissy maid, no exceptions. They must be dressed as feminine as possible. and refreshed often. It does a sissy a lot of good to stand in front of a mirror several times a day and must be polished, yes I know female about that but the sissy maid **MUST** submission and femininity.

more than just looking feminine, the sissy maid must act, speech and thought. Limp wrist, feet together, (unless told too) sitting with legs
