

Q.1. This question is based on unit 6. Read this paragraph and answer the question given at the end.  
(20)

A hare was very popular with the other beasts who all claimed to be her friend. But one day she heard the hounds approaching and hoped to escape them with the help of her many friends. "What are friends for," she asked herself, "if not to help out in time of need?" Furthermore, most of her friends were big and brave, so at least one should be able to help. First she went to the horse, and asked him to carry her away from the hounds on his back. But he declined, stating that he had important work to do for his master. "I feel sure," he said, "that all your other friends will come to your assistance." She then applied to the bull, and hoped that he would repel the hounds with his horns. The bull replied: "I am very sorry, but I have an appointment with a lady. However, I feel sure that our friend the goat will do what you want." The goat, however, feared that his back might be harmed if he took her upon it. The ram, he felt sure, was the proper friend to apply to. So she went to the ram and told him the case. The ram replied: "Another time, my dear friend. I do not like to interfere on the present occasion, as hounds have been known to eat sheep as well as hares." The hare then applied, as a last hope, to the calf who regretted that he was unable to help her. He did not like to take the responsibility upon himself, as so many older persons had declined the task. By this time the hounds were quite near, so the hare had to take to her heels. Luckily, she escaped.

  - A: She knew she was popular.
  - B: She assumed friends were there to help.
  - C: Most of her friends were big and strong.

  - A: She was very dear to them.
  - B: All were her neighbours.
  - C: All were fearless and powerful.
  - D: She was lonely.
- iii). The hare went to the horse who (chose the right option)
  - A: Was willing to help her.
  - B: Assigned the task to some other friend.
  - C: Preferred not to help the hare.
  - D: Was carrying load at his back.
- iv). The ram did not help the hare because (choose the correct option)
  - A: She was too busy on that occasion.
  - B: She was occupied with her master.
  - C: She feared her back will be damaged.
  - D: She was afraid of the hounds.
- v). Choose the most suitable moral for the story:
  - A: A friend in need is a friend indeed.
  - B: Never rely on your friends in a time of crisis.
  - C: Popularity does not mean friendship.
  - D: In a time of crisis you discover who your true friends are.
