Speculative Fiction Short Stories Victor D. López,2020-11-29 This book is a compilation of 13 contemporary science fiction and speculative fiction short stories by the author including 10 newly edited and updated stories from his previous Book of Dreams and Mindscapes collections as well as three new stories The scope of this collection extends from the innermost dimensions of the mind to the outer reaches of the universe The stories touch on both timeless and novel themes including philosophical questions as to the meaning of life the nature of reality the power of love and the superlative strength and wrenching weakness of the human spirit The stories in this collection can be difficult to classify as they touch on a variety of themes literary styles and genres that include hard and soft science fiction horror humor romance and literary fiction in both traditional and unusual combinations Several of the stories in this collection can be classified as dark fiction that pose all too disturbingly feasible ways for human beings to destroy themselves and perhaps even our corner of the universe But these are tempered with humor and with the hope that springs from humanity s ability to cheat fate through its ingenuity and more importantly to learn from its mistakes Each story is intended to entertain but also to leave the reader thinking long after she he puts down the book The author is the Cypres Family Distinguished Professor in Legal Studies in Business at Hofstra University s Frank G Zarb School of Business He has published eight textbooks and textbook editions

through traditional publishers including Irwin Mirror Press McGraw Hill Prentice Hall and Textbook Media Press in addition to trade books and reference books on computer software and intellectual property law He has also published numerous articles on law related topics in law reviews and academic peer reviewed journals His fiction and poetry have appeared in print in various college literary journals and he has published several books of short stories poetry and most recently his first novel Hire Lerin For more information about the author s books textbooks scholarly articles and blogs you can visit <http://www.victordlopez.com>

The Academy of Management Review Academy of Management,1988 **Finance Literature Index**,1994 Introduction to the Law of Contracts Terry H. Bitting,Martin A. Frey,Phyllis Hurley Frey,1999-08 The third edition of this well respected text presents a road map approach for thinking about contract problems Steps include choice of law contract formation unenforceable contracts breach of contract and plaintiffs remedies The rules of the law are presented first as theory followed by an example and either a paralegal exercise or a case so that students can relate the abstract to a concrete set of facts The text also teaches students how to analyze a contract problem using common law and a code approach articles 1 and 2 of the UCC Book of Dreams: Science Fiction and Speculative Fiction Short Stories VICTOR D. LOPEZ,2011-07-11 What price would you pay to revisit a crossroad in your life when you had made a terrible life altering mistake Would you give up an unfulfilled life for the chance of virtual happiness in a computer generated alternate reality Would you sacrifice everything if you could attain absolute knowledge If so could you live with the knowledge you attained It is said that no person is an island but what if even the least among us is a god in his/her own right If an alien visitor offered you a lifetime of health and the gift of telepathy in exchange for a small service would you be quick to accept And if consciousness utilizes only a small portion of our brain what function does the larger presumably unused portion actually serve These are some of the questions explored in this collection of science fiction and speculative fiction short stories that probes the interrelationship between dreams and reality the nature of reality itself and the dangers attendant to the single minded pursuit of wish fulfillment with its attendant unexpected and unwanted consequences Most of the short stories published here were written and revised over a period of more than thirty years 1977-2011 and with the exception of *To Sleep Perchance to Dream* have not been previously published The author is an Associate Professor of Legal Studies at Hofstra University s Frank G Zarb School of Business and has previously published seven non-fiction books through traditional publishers His business law and legal environment textbooks have been used in colleges and universities throughout the United States since 1993 This is his first fiction collection
