Discipleship that Fits Bobby Harrington, Alex Absalom, 2016-02-09 For far too long the church has tried to make disciples using a one size fits all approach Some churches advocate 1 on 1 discipling others try getting everyone into a small group while still others training through mission trips or service projects Yet others focus all their efforts on attracting people to a large group gathering to hear biblical teaching and preaching But does one size really fit everyone Based on careful biblical study and years of experience making disciples in the local church Bobby Harrington and Alex Absalom have identified five key relationships where discipleship happens in our lives In each relational context we need to understand how discipleship occurs and we need to set appropriate expectations for each context Discipleship That Fits shows you the five key ways discipleship occurs It looks at how Jesus made disciples and how disciples were formed in the early church Each of the contexts is necessary at different times and in different ways as a person grows toward maturity in Christ Public Relationships The church gathering corporately for worship Social Relationships Networks of smaller relationships where we engage in mission and live out our faith in community Personal Relationships Small groups of six to sixteen people where we challenge and encourage one another on a regular basis Transparent Relationships Close relationships of three to four where we share intimate details of our lives for accountability The Divine Relationship Our relationship with Jesus Christ where we grow through the empowering presence of the Holy Spirit Filled with examples and stories Alex and Bobby show you how to develop discipleship practices in each relational context by sharing how Jesus did it how the early church practiced it and how churches are discipling people today Going Full Circle Mark Powers, 2013-07-03 In the grip of serious numerical

decline American Evangelical churches are now experiencing a missional movement God is calling his people to return to a biblical lifestyle that goes full circle in continual worship discipleship and missions Mark Powers connects the dots between these three main elements of authentic Christian living He presents a theology of missional worship a detailed discipleship plan and a strategy for local music missions Going Full Circle uses everyday language to present a simple thought process to move worshipers and worship leaders to become worshipping disciples on mission Are you a casualty of worship wars Are you worried about the decline of your church Are you thrilled with fast growth churches but sense there must be something more than spectator worship Are you confused by the word missional that seems to be popping up everywhere This book is for you and your friends Read it share it and join the movement **Brotherhood** Matthew Parker,2023-10-27 If our sons are to fulfill their God given destinies we must make them understand and translate for them the things that matter most Colin Pinkney Society can play a cruel role in lowering the expectations for young Black men But the truth is God designed every life to be valuable and called each of us to a purpose Everyone can live in that reality by focusing on the things that matter faith values and perseverance This book provides a message of hope for Black men and those who love them Forty devotional insights and personal stories written by Black men will inspire you to view life through a biblical lens knowing that your life matters and that you can grow in your God given abilities The authors share how they have been discipled and trained now passing their wisdom on to others in these true stories of success failure and overcoming Youth Ministry Bi-Vocational Survival Guide Rick Flann,2016-04-27 Youth Ministry Bi Vocational Survival Guide is written specifically for the bi vocational pastor and is chock full of nuggets of gold Authors Rick Flann and Chris Pope explain how to manage time well prioritize effectively and lead in a way that empowers both the bi vocational pastor and those they lead and care for on a daily basis The Apostle Paul a tent maker was one of the greatest people ever to walk the face of this earth He knew what his mission was and he was willing to do whatever it took to accomplish the task that God had set before him Paul was bi vocational He proclaimed the Gospel planted churches and pastored people yet he never demanded his right to a paycheck from the church 1 Cor 9 12 Maybe you are a modern day tent maker but unlike the Apostle Paul who always seemed to come out on top as a spiritual super star you are sinking under the pressures of multiple jobs both inside and outside of the church school family or countless other obligations that you face each and every day Take courage and know that you are not alone The Youth Ministry Bi Vocational Survival Guide was developed especially with you in mind to enable you to succeed and still minister effectively to those you are leading **Seeing through Spiritual Eyes** Kirk Farnsworth,2014-09-22 Bring the otherworldly mystery of spiritual reality down to earth Understand how Satan can gain entry into the personal lives of Christians Learn how to find peace in church conflict without having to flee fake it or fight back Put an end to toxic memories from a painful past Experience meaningful life in the Spirit **The Spiritual Mentor** Jim Grassi,2013-11-26 There is nothing more fundamental to the Christian faith and to building godly men than discipleship In today s vernacular discipleship would best

be described as Spiritual Mentoring Why are discipleship and mentoring so important How does discipleship connect to the struggles men face today Discipleship is a relational process that requires people to become actively involved in their faith Devoted and active men can change the direction of our culture Most importantly God has commanded men to be the leaders in the home church and community Authentic discipleship is about developing a caring concern and a genuine love for others through modeling Christ like attitudes and behavior in the context of relational environments A fresh approach is needed to define implement and equip men with a passion to make disciples It starts with relationship Because it all starts with the individual we must see one on one discipleship as the primary objective to begin the revolution The Spiritual Mentor will explain how men can rescue their faith and how spiritual mentors must play a critical role in bringing the church back to its original purpose Features include Metaphors anecdotes and practical applications Practical tools for becoming a spiritual mentor Discussion questions Dr Jim Grassi has captured the essence of what is happening today with men in the church and defined logical and practical steps to get back on course of men gaining a closer relationship with God in the mentoring and discipleship process Dr Grassi illustrates the how to thru practical examples of situations we all know and can relate Dr Grassi sets the tone for a modern day Haggai in being strong and staying courageous putting in the effort by serving and working at the process and lastly knowing that God never leaves your side and is always with you This book is a must read and must have for reference of every men s ministry leader Darrel Billups NCMM Executive Director Our men s small group just finished reading and discussing The Spiritual Mentor We found the book to be challenging informative and very practical The stories and illustrations are captivating giving insight into principles and techniques of discipleship As fathers and grandfathers we want to first be a positive influence on our families and then on others with whom we come in contact This book has raised the level of our awareness of the responsibility and opportunity to serve God in fulfilling the most important directive given us by our Lord to make disciples Thank you for sharing your insight and experiences with us Norman Thomas Administrative Pastor Valley Assembly

A Philosophy of Pastoral Preaching David A. Christensen, 2023-05-26 I am a pastor I preach Doesn t that make me a pastoral preacher Not necessarily Many preach missional rather than pastoral sermons designed to appeal to the unchurched not the church The popularity of regional churches and the global reach of the internet allow preachers to focus their sermons on people they do not know and market a message to an audience they never see Evangelical leaders produce many resources on attractional preaching but who is developing a vision for pastoral preaching David Christensen draws on years of experience to develop a philosophy of pastoral preaching He writes Social media changes the way we preach More and more pastors are preaching clickbait sermons These are sermons designed to get clicks or attract interest rather than teach truth We want catchy titles and clever analogies that will grab people s attention because the digital world is built on attention whatever will get likes or drive outrage However pastoral preaching builds community It is rooted in local soil to the people we know in the place we live We need a philosophy of preaching that

shepherds a community of disciples who worship together in one place **Matthew, Disciple and Scribe** Patrick Schreiner, 2019-09-03 This fresh look at the Gospel of Matthew highlights the unique contribution that Matthew's rich and multilayered portrait of Jesus makes to understanding the connection between the Old and New Testaments Patrick Schreiner argues that Matthew obeyed the Great Commission by acting as scribe to his teacher Jesus in order to share Jesus's life and work with the world thereby making disciples of future generations The First Gospel presents Jesus's life as the fulfillment of the Old Testament story of Israel and shows how Jesus brings new life in the New Testament Beyond Self-Help: The True Path to Harnessing God's Wisdom, Realizing Life's Potential and Living the Abundant Life By Rev. Ron Kelly Senior Pastor Village Seventh day Adventist Church Berrien Springs Michigan United States of America Seeking the Lost Keeping Them Making Them Disciples by Dr Benoit Petit Homme is a handy Christ based discipleship resource that will contribute to the mission of training and equipping church ministry leaders in the evangelistic work of reaping retaining and nurturing new believing Christians This is a must read for church officers pastors and ministry directors in the Christian church Ron C Smith PhD D Min President Southern Union Conference of SDA Every year many thousands of people hear the Good News of Jesus Christ and choose to be baptized and join a church community Unfortunately it is also true that every year many new converts leave a church relatively shortly after joining The specific reasons that each person leaves the church could fill a book by themselves but they all boil down to one thing a lack of focus on the part of the church community on turning converts into disciples of our Savior A disciple of Christ does more than attend church services A disciple is an active member of the church community A disciple is a witness to others A disciple seeks to grow the church by seeking to lead everyone they meet to Christ Dr Benoit Petit Homme is a committed disciple of Christ and after extensive study of exactly why new converts leave the church he has developed a process by which any church can make disciples All it takes is a little extra work a bit of encouragement and an unwavering faith in the Lord The Drama of Discipleship Gregory R. Eason, 2004-01-01 This book offers a model for selecting and training church officers that is grounded in spiritual discernment and development The book begins with a biblical understanding of leadership moves into consideration for how to train a Nominating Committee to select leaders according to the biblical vision and then offers a step by step plan for a training event with three components The training plan is designed to build up the church leaders spiritually and to set their work in the context of discipleship as well as to teach them some of the fundamentals of the rules of governance of their denomination The book concludes with concrete suggestions for how future work of the church board can be structured to reflect the emphasis highlighted in the training session Discipleship Defined Eric Russ, 2010-11 DON T read this book if you want to remain comfortable Eric challenges us to consider what Biblical discipleship looks like based on what Jesus did Eric writes this book with the integrity of a man who is not merely theorizing about the way things ought to
