**Nothing Down? Nothing Doing! Real Estate Guide for First-Time Buyers** Alan Ray Hoxie, 2002-09 You've probably seen the infomercials on television offering books and tapes that show you how to buy and sell real estate with nothing down. But if making a fortune was as easy as the infomercials claim, why aren't the authors looking for the next big deal rather than peddling books and conducting seminars? This book shows you how to avoid the pitfalls that come from such get-rich-real-estate claims and reviews how you can really acquire property without a great deal of money. This book also discusses ways to buy and sell your first home. This will give you a head start when you enter the increasingly competitive real estate market. So forget the claims you see on television and read this book if you truly want to give real estate a try. **Us Residential Real Estate Investment & Business Guide for Foreigners** USA International Business Publications, 2006-01-01 Basic information and contacts for buying and selling real estate in the US. **The Complete Guide to Passing Your Real Estate Sales License Exam on the First Attempt** Ken Lambert, 2008 Presents a clear and complete overview of all the main topics covered on the real estate salesperson examination. Gives exam applicants the information and tools they need to successfully pass the exam on the first attempt. **The Real Estate Investor's Guide to Financing** David Reed, 2008-03-03 To get the biggest return, real estate investors need the right financing. And as they buy multiple properties, their debt-to-equity rises, making it more difficult to get the kind of deal they need. As many investors have learned the hard way, getting the wrong financing can wipe out their profits, hold them back from selling because of a lack of equity, or force them to try to sell for more than the market will bear. *The Real Estate Investor's Guide to Financing* is the one book that shows readers how to get the right financial package for the biggest return on their investment. As a respected author and mortgage banker, David Reed has spent more than 20 years helping investors finance their properties. Here he offers advice on such crucial topics as financing options for different property types, the financial implications of renting vs. flipping, setting rental rates, the challenges and benefits of being a landlord, including rent loss coverage, the pros and cons of having partners, tips on financing a second home, duplex, multi-family unit, or condo. Complete with essential advice on financing and a glossary of investment terms, this is the one guide that will help readers start making real money. **Home Buying 101** Jon Gorey, 2022-02-15 Buying a first home can be both exciting and nerve-wracking. Will you qualify for a mortgage? Is your dream home achievable? How do you make sure your offer will beat others? Don't worry now; you can arm yourself with the information you need to know before you begin the hunt. In *Home Buying 101*, you will learn all the skills you need to find the right house at the right price with financing that fits your budget. Full of nuts and bolts advice and organized in an easy-to-read format, this book will teach you all the basics of deciding the right time to buy, getting your finances in order, deciphering the MLS, reading the listings for clues, types of mortgage loans, and much more. With the help of this guide, you'll learn how to find the house of your dreams at a price you can afford. **The Beginner's Guide to Real Estate Investing** Gary W
