Nosotros Alvin O. Korte, 2012-03-01 Much knowledge and understanding can be generated from the experiences of everyday life In this engaging study Alvin O Korte examines how this concept applies to Spanish speaking peoples adapted to a particular locale specifically the Hispanos and Hispanas of northern New Mexico Drawing on social philosopher Alfred Schutz s theory of typification Korte looks at how meaning and identity are crafted by quotidian activities Incorporating phenomenological and ethnomethodological strategies the author investigates several aspects of local Hispano culture including the oral tradition leave taking death and remembrances of the dead spirituality and the circle of life Although avoiding a social problems approach the book devotes necessary attention to mortification the death of the self desmadre chaos and disorder and mancarnando cuckoldry *Nosotros* is a vivid and insightful exploration with applications in numerous fields

**The Reality of Women in the Universe of the Ancient Novel** María Paz López Martínez, Carlos Sánchez-Moreno Ellart, Ana Belén Zaera García, 2023-12-01 This volume gathers chapters related to the condition of women in the ancient novel To broaden the perspective it integrates not only papers dealing with the Greek and Roman novel as a literary genre in its own right but also as a historical document involving aspects as diverse as history archaeology sociology and the history of law The twenty six contributions in this volume have been divided into thematic blocks based on the different approaches that the authors have adopted to tackle the subject The first block is about realia the reality in which the fiction has been conceived The second block focuses on the legal problems that can be deduced from the plots of the novels The third block encompasses deals with the Greek and Roman novel from the point of view of classical philology literary criticism and literary theory with chapters dedicated to the tradition of the ancient novel both in our most immediate cultural area Middle Ages Spanish Golden Age and in other contexts whether Indo European India Persia or of a different origin

**El Dilema De Un Pueblo** Alejandro Benjamin, 2019-08-09 El dilema de un pueblo Este libro es una novela con la intención de poner sentimientos y deseos en una fantasía Es fantasía como es la vida misma donde el tiempo pasa veloz sin dejar rastros de su paso al final nos preguntamos que hicimos en el tiempo y espacio que nos brinda la vida El autor juega con las imágenes del pasado presente y futuro para comunicar los distintos sentimientos que se esconden detrás de las letras Y trata de eso espacio y tiempo de un ser que se fue de su pueblo en busca de bienestar En esta obra el autor desea conectarse con varios elementos entre ellos la experiencia migratoria que es sin lugar a dudas una constante de los seres humanos en el planeta

Sideways Selves PJ DiPietro, 2025-07-22 How trans and non binary networks engage in decoloniality across hemispheres A deeply informed theoretically rich work of inquiry and critique *Sideways Selves* learns from two communities of migrants as they contest their marginalization under the colonial regime of gender colonial because as PJ DiPietro affirms Indigenous and Afro diasporic conceptions of embodiment have been displaced by the European Christian order of gender Following gender nonconforming Aymara Kolla and mixed race exiles in Buenos Aires and Kiche Nahua and Central

American migrants in the San Francisco Bay Area DiPietro takes stock of a collective transnational effort to reimagine ideas of personhood and kinship that gender makes unthinkable The communities DiPietro studies create new kinds of identities collective and genderless in nature Their ways of thinking and doing though radical are motivated by old wisdom storytelling healing and religion brujer a curanderismo Voudoun and other practices that colonialism capitalism and the nation state have unsuccessfully tried to erase In equal measures philosophical and ethnographic Sideways Selves witnesses and listens as these displaced people displaced from their homes and from the moral geography of the West show us what a just decolonial world could actually be

**The Liberating Philosophy of Ignacio Ellacuría** Randall Carrera Umaña, Luis Arturo Martínez Vásquez, Luis Rubén Díaz Cepeda, 2024-01-16 The Liberating Philosophy of Ignacio Ellacuría a Historical Reality Humanism and Praxis is the first systematic work on the philosophy of Ignacio Ellacuría to be published in English so far The Spaniard Salvadorian philosopher murdered in Salvador in 1989 by the military maintains that philosophy is a permanent task grounded in metaphysics as first philosophy as developed within a historical reality and a preferential option for the poor As explored by this collection edited by Luis Arturo Martínez Vásquez Randall Carrera Umaña and Luis Rubén Díaz Cepeda Ellacuría's theory is a critical and practical proposal immersed in the colonial history of Central America but its explanatory and normative power extends to oppressed people all around the world The contributors to this volume coming from Spain Mexico Argentina Salvador and Costa Rica analyze Ellacuría's philosophy of liberation in conjunction with radical realism and strength describing it as a philosophy created by people concerned with the problems and history of our land such as our colonial past systemic poverty and dependency and responding to these concerns can offer alternatives for a true liberation of all the dominated peoples of the world

*England and Spain in the Early Modern Era* Óscar Alfredo Ruiz Fernández, 2019-12-12 The early 17th century was a time of great literature the era of Cervantes and Shakespeare but also of international tension and heightened diplomacy This book looks at the relations between Spain under Philip III and Philip IV and England under James I in the period 1603-1625 It examines the essential issues that established the framework for diplomatic relations between the two states looking not only at questions of war and peace but also of trade and piracy Oscar Alfredo Ruiz Fernández expertly argues that the diplomatic relationship was vital to the strategic interests of both powers and also played a highly significant role in the domestic agendas of each country Based on Spanish and English archival sources *England and Spain in the Early Modern Era* provides for the first time a clear picture of diplomacy between England and Spain in the early modern era

**Cinema and the Sandinistas** Jonathan Buchsbaum, 2010-01-01 Following the Sandinista Revolution in 1979 young bohemian artists rushed to the newly formed Nicaraguan national film institute INCINE to contribute to the recovery of national identity through the creation of a national film project Over the next eleven years the filmmakers of INCINE produced over seventy films documentary fiction and hybrids that collectively reveal a unique vision of the Revolution drawn not from official FSLN directives but from the filmmakers own cinematic interpretations of the

Revolution as they were living it This book examines the INCINE film project and assesses its achievements in recovering a Nicaraguan national identity through the creation of a national cinema Using a wealth of firsthand documentation the films themselves interviews with numerous INCINE personnel and INCINE archival records Jonathan Buchsbaum follows the evolution of INCINE s project and situates it within the larger historical project of militant revolutionary filmmaking in Latin America His research also raises crucial questions about the viability of national cinemas in the face of accelerating globalization and technological changes which reverberate far beyond Nicaragua s experiment in revolutionary filmmaking

Transpacific Connections: Literary and Cultural Production by and about Latin American Nikkeijin Maja

Zawierzeniec, 2022-06-14 *Transpacific Connections Literary and Cultural Production by and about Latin American Nikkeijin* is a cross cultural work combining Latin American and Japanese studies It contains original research on social and cultural relations between Japan and Latin America ranging from Japanese inspirations in one of the Mexican most renowned poets Brazilian dekasegi temporary workers in Japan described in a variety of testimonials Japanese community in Brazil and its literary production and a Mexican telenovela inspired by the Japanese culture to European inspirations in a Nikkei Peruvian writer Higa Oshiro

Revolutionary Rehearsals Colin Barker, 2008-09 Five times in the last 40 years the working class has posed a radical alternative to the status quo France 1968 A general strike and factory occupations by millions of workers shake the country Chile 1972 Workers defending the Popular Unity government set up workers councils the cordones and demand control over production Portugal 1974 Army officers overthrow the dictator Caetano and release an upsurge of popular power whichs last 18 months Iran 1979 The viciously repressive Shah is toppled and workers set up independent councils the shoras Poland 1980 Demanding radical change workers build the independent trade union Solidarity to fight for their own interests exposing the false socialism of the Eastern Bloc In each of these cases the actions of workers themselves were the driving force of struggles with revolutionary potential They demonstrate that workers can and will fight back on a mass scale Each episode offers an inspiring glimpse of the way in which workers rise to the challenge of fighting for a better world and pose their own alternative to the system Although none of these struggles ultimately achieved their goals they

were revolutionary rehearsals that hold important lessons about the struggle for socialism under modern conditions

**Lessons from Regional Responses to Security, Health and Environmental Challenges in Latin America** Ivo Ganchev, 2024-01-23 What is the role of regional organizations in maintaining security across different parts of Latin America and the Caribbean LAC How did COVID 19 impact states in the region and what types of collective action have helped respond to public health emergencies In what way is LAC environmental policy formulated and what broader lessons can be drawn for the Global South This edited volume addresses these questions revealing the reasons behind the successes and failures of LAC regional responses to collective challenges as well as their limitations and potential for future improvement It contains 11 chapters authored by 16 authoritative academics who employ methodologically diverse perspectives Each chapter provides insights that would be of interest to scholars students and policy makers working on the regional governance of LAC and the Global South The contributions are thematically organised in three parts and produced with pragmatic considerations in mind discussing existing and potential real solutions to pressing issues

**Judicial institutionalization of integration processes** Ricardo Caichiolo, 2016-09-07 The focus of this book is the judicial institutionalization of integration processes through the development of dispute settlement mechanisms more specifically in the Common Market of the South MERCOSUR to date the most important regional bloc in Latin America The bloc has been in existence since 1991 and has positioned itself as one of the potential regional blocs for trade and investment while becoming one of the important actors in the international community However its achievements have been tainted by the gaps and problems attached to the core foundation of the regional bloc MERCOSUR has been suffering or experiencing internal disputes and disunity due to its complex and low institutionalization a situation which can be seen as being paradoxical Its current Dispute Settlement Mechanism is subject to uncertainty and doubt since its own framework is also under internal and external criticism There has been a series of protocols made in order to tackle the problems of the DSM and to further fix the problems that hinder the cooperation as well as the productivity of MERCOSUR s intra organisation all guided by intergovernmental decision making As such this book seeks to tackle the concept of regionalism and the possible models which have been used or have influenced the establishment of MERCOSUR while discussing the different aspects and developments of each intra organisation This is done in order to evaluate the nature of the problem and future developments that could take place The book also focuses on the prevalence of politicization in MERCOSUR and the pre eminence of Presidential Diplomacy over the path of regional integration which influence the DSM of MERCOSUR and possible developments that might occur in the near future

**The Canon and the Archive** Wadda C. Ríos-Font, 2004 R os Font re reads nineteenth and twentieth century Spanish texts and authors that have tested the boundary between high and low repositioning them within Spanish critical tradition Through these self reflexive readings the book explores how the definition of literature has changed in more than two centuries of modernity in Spain and the institutional and cultural

negotiations behind this change Jacket     The Many and the Few Hilda Sabato, 2001 This book analyzes the relationship between the many and the few in the formation of a republican polity It studies the case of Buenos Aires in the 1860s and 1870s when the inauguration of a new national order in Argentina entailed a radical change in the ways of power By exploring the different forms of participation of the people in the public life of the city it illuminates a frequently neglected side of the process of construction and legitimization of political power in nineteenth century Latin American societies It also provides new historical evidence on the origins of democracy in Argentina and proposes an interpretation of that process that challenges prevailing views The book focuses on two major topics the history of elections and electoral practices and the creation and development of a public sphere Its detailed and often colorful description of electoral procedures portrays a dynamic and competitive political life that contradicts traditional interpretations of the history of citizenship in Argentina The author also argues that elections were not the only major element in the relationship between the many and the few that these decades witnessed the formation of a public sphere a space of mediation between civil society and the political realm where different groups voiced their opinions and directly represented their claims She studies three aspects of the life of the city that were symptoms of this process the proliferation of associations the expansion of the periodical press and the development of a culture of mobilization The book concludes by assessing how its conclusions offer new clues to the study of the Argentine political system the history of Latin American democracies and more generally the relations between the many and the few in modern societies
