Jussawalla, Reed Way Dasenbrock, 1992 Interviews with third world and Chicano authors speaking about their place in the literary canon Spoon to be Dead Dana Mentink, 2023-10-31 Mentink has designed a story that will keep the reader wondering and then knowing and then wondering again as the suspects and victims keep changing places New York Journal of Books A murder for the holidays is about to shake things up Trinidad Jones is starting the festive season with sugary confections and a heaping scoop of worry as her shake shop enters its first Oregon winter With snow abound and tourists trickling through she'll do anything to keep her milkshake dreams afloat even if it means catering a holiday steamboat party for some new arrivals in town But when her good for nothing ex crashes through her shop's door claiming he's being charged with murder things go sideways With clues piling up like whipped cream on a sundae and motives abound Trinidad and her fellow ex-wives must solve this murder before she's finally thrown for a scoop The third book in the Shake Shop Mysteries following Trinidad Jones who makes sweet confections and solves sticky situations in her small town **Trinidad and Tobago** Lise Winer, 1993 This volume describes the English and English Creole of Trinidad and Tobago Sources from the early 19th through late 20th centuries are gathered from a wide range of materials novels editorials advertisements cartoons proverbs newspaper articles plays lyrics of traditional songs and calypsos and oral interviews Many of the older texts are now made easily accessible for

The Trinidad Dougla Ferne Louanne Regis, 2016-08-17 In their search for personal identity Trinidad s Douglas the offspring of Indo African unions find themselves in a complex social cultural and linguistic situation This is reflected as much in their unclear and uncertain social positioning in a society of competing ethnic groups as in the linguistic possibilities open to them in their quotidian social interactions as they negotiate between their parent communities Trinidadian English Creole TEC the mother tongue or lingua franca of the majority of the population exhibits a lexical amalgam of donor varieties brought to the island during the period of its colonization The extent to which Trinidadians employ these lexical items is linked to their affinity to a particular donor group As a consequence of this Dougla ethnicity and

identity are hypothesized as being expressed chiefly through the use of lexical items available to them via their upbringing in specific communities This book describes and analyses specific lexical items in use by Douglas who reside in mixed race communities as well as communities stereotypically marked Indic and Afric by Trinidadians to determine the extent to which Douglas project a distinct identity a subsumed identity linked to an ancestral ethnic group or a shifting identity based on accommodative strategies employed during interaction within their social networks *Ordinary People in a Normal Society* Jerome Teelucksingh,2013-03-08 Ordinary people in a normal society is a novel set in the Caribbean and United States It is the sequel to Back of the Net Readers will find characters as Ali Vladimir and Sumintra to be eccentric unique and amusing This fiction also deals with serious issues the abuse of prescription medicine illegal immigrants inaccurate medical diagnosis and obesity Additionally the novel focuses on the noteworthy contributions and presence of Caribbean migrants in such states as Florida and New York Their culture eventually becomes part of the society The provocative statements and analysis among participants of a conference reflect the impact of the United States media **The New Partridge Dictionary of Slang and Unconventional English: J-Z** Eric Partridge,2006 Entry includes attestations of the head word s or phrase s usage usually in the form of a quotation Annotation 2006 Book News Inc Portland OR booknews com Carrier Pidgin ,1994
