The Readers' Advisory Guide to Genre Fiction, Third Edition Neal Wyatt, Joyce G. Saricks, 2019-07-03. Everyone's favorite guide to fiction that's thrilling, mysterious, suspenseful, thought-provoking, romantic, and just plain fun is back and better than ever in this completely revamped and revised edition. A must for every reader's advisory desk, this resource is also a useful tool for collection development. Librarians and students in LIS programs. Inside RA experts Wyatt and Saricks cover genres such as Psychological Suspense, Horror, Science Fiction, Fantasy, Romance, Mystery, Literary, and Historical Fiction and introduce the concepts of Adrenaline and Relationship Fiction. Include everything advisors need to get up to speed on a genre, including its appeal, characteristics, key authors, sure bets, and trends. Demonstrate how genres overlap and connect, plus suggestions for guiding readers among genres and tie genre fiction to the whole collection, including nonfiction, audiobooks, graphic novels, film, and TV, poetry, and games. Both insightful and comprehensive, this matchless guidebook will help librarians become familiar with many different fiction genres, especially those they do not regularly read, and aid library staff in connecting readers to books they're sure to love.

How to Market a Book Ricardo Fayet, 2021-01-27. Writing a book is hard. Marketing it can be even harder. Marketing a book in 2023 can seem like a full-time job, what with the crazy number of things authors seem to be expected to do: social media, blog tours, advertising, price promotions, mailing lists, giveaways, you name it. But here's a little secret: you don't need to do all those things to successfully set your book on the path to success. What you need is a solid plan to find the one or two tactics that will work and start to

drive sales in a minimum amount of time And that s exactly what you ll find in this book Instead of drowning you in information or inundating you with hundreds of different tactics and strategies that eventually prove fruitless this book will guide you through a step by step framework to find the ones that actually work for you and your book so that you can start marketing more efficiently In particular you ll learn How to change your mindset and sell more books with less effort How to write books that guarantee a lasting profitable career How to get Amazon s Kindle Store to market your book for you How to get thousands of readers into your mailing list before you even release the book How to propel your book to the top of the charts at launch and How to automate your marketing so that you can spend less time marketing and more time writing After helping over 150 000 authors crack the marketing code through a popular weekly newsletter Reedsy s Co founder Ricardo Fayet is sharing everything he s learned over the past few years in this beginner friendly jargon free guide to book marketing Best of all the ebook version is and will always remain 100% FREE Get your copy now and benefit from all the experience of a seasoned marketing professional

Ready player one E. Cline,2013 **Armada** Ernest Cline,2015-07-14 From the author of Ready Player One a rollicking alien invasion thriller that embraces and subverts science fiction conventions as only Ernest Cline could Zack Lightman has never much cared for reality He vastly prefers the countless science fiction movies books and videogames he s spent his life consuming And too often he catches himself wishing that some fantastic impossible world altering event could arrive to whisk him off on a grand spacefaring adventure So when he sees the flying saucer he s sure his years of escapism have finally tipped over into madness Especially because the alien ship he s staring at is straight out of his favorite videogame a flight simulator called Armada in which gamers just happen to be protecting Earth from alien invaders As impossible as it seems what Zack s seeing is all too real And it s just the first in a blur of revelations that will force him to question everything he thought he knew about Earth s history its future even his own life and to play the hero for real with humanity s life in the balance But even through the terror and exhilaration he can t help thinking Doesn t something about this scenario feel a little bit like well fiction At once reinventing and paying homage to science fiction classics as only Ernest Cline can Armada is a rollicking surprising thriller a coming of age adventure and an alien invasion tale like nothing you ve ever read before
