

JANUARY ... DOES IT BRING YOU JOY?

- 1 January is the time for renewal on many fronts. It's the time of the year to re-evaluate everything. If something or someone doesn't bring you joy, it's pretty pointless carrying on with it. If we want the best, we must do our best. We must keep our family space safe and secure so that we are thriving as a people and as a nation. 5
- 2 In order to live their best lives, people are spreading themselves thinner and thinner with multiple streams of income. In the process we earn more but live less, we lose our focus of what is important.
- 3 With social media, keeping up with other Instagrammers are having a devastating effect on self-perception. Everything appears to be real perfect, but the fabric of our society is frazzled. Use January to take stock and start navigating new ways of doing things. Instead of multiple streams of sole sessions, travel more, and connect with people and places that bring you joy. 10

Paper 9742 November 2013:

The Brexit Policy Fiasco Jeremy Richardson, Berthold Rittberger, 2021-05-12 This volume attempts to examine the many possible causes of Brexit. The conceptual peg on which the volume hangs is that irrespective of one's views on whether Britain's exit from the EU was a good or a bad thing, Brexit can justifiably be seen as yet another example of a British policy fiasco. Put simply, the British political elite was not at its best. The collective concern of this volume is twofold. First, it advances possible explanations of how the Brexit issue arose. Why was Britain's membership of the EU thought to be so problematic for so many members of the British political elite and ultimately for a majority of voters? How did we get to June 2016 and the Brexit Referendum? Secondly, the volume examines how the issue was managed or mismanaged following the referendum result up until the Withdrawal Agreement in March 2019. The contributions to this volume explore these questions by looking at Brexit from different analytical angles. Some authors explore the long-term causes of Brexit by disentangling the fraught relationship between the UK and the EU which had provided the Brexit train with steam; others explore the highly conflictual domestic political dynamics in the run-up to the referendum and in the negotiations of a Brexit deal. The chapters in this book were originally published as a special issue of *Journal of European Public Policy*. **Changing Constellations of**

Southeast Asia Jan Nederveen Pieterse, Abdul Embong, Siew Yean Tham, 2017-10-17 Southeast Asia is among emerging economies that have become important drivers of the world economy. ASEAN has furthered the region's economic integration. Yet growth remains dependent on foreign investment. Inequality has grown or remained high. Democracy instead of consolidating has stalled or regressed. *Changing Constellations of Southeast Asia* seeks to shed light on the gap between Northeast Asia and Southeast Asia from a variety of viewpoints across trade and industry, services and education and language policies. Examine institutions and elite capture to understand why middle-tier Southeast Asian countries have failed in following the East Asian miracle. Examine China's growing influence and how this growing role affects Southeast Asia as a constellation. Contributing to critical political economy and comparative development studies in East Asia, this timely volume will appeal to undergraduate and postgraduate students interested in Southeast Asia studies, International Political Economy, Development sociology and economics, Social Policy and Asian Politics. **Europe Tested by Crises** Heinz

Handler, 2024-09-15 The integration project of the European Union has not progressed much beyond its economic successes and the original idea of a political union has drifted far away following the crises of the past decade. With Russia's aggression against Ukraine, a crisis has emerged that poses enormous internal and external challenges to Europe, requiring a reassessment of the geopolitical and economic conditions of the European Union. For the 2nd edition, the contents have been revised and updated accordingly. New are the two chapters on the Ukraine war and its influence on the European Union's efforts to address the energy crisis and climate change. **The WRNS in Wartime** Hannah Roberts, 2017-11-24 The Women's Royal Naval Service (WRNS) was created in 1917, reformed in 1938 and maintained after 1945.
