Paper Or Plastic Life In The Checkout Lane English Edition

Daniel Morris

Paper Or Plastic Life In The Checkout Lane English Edition:

David Post, 2005-01-01 Nothing To See Here spans one summer in the life of psychiatrist Alan Sarnower an ordinary citizen who finds himself in extraordinary circumstances when his wife suddenly leaves him and their young son in the middle of a psychotic episode When she returns unexpectedly with a new lover and announces her intention to get a divorce his own life and sanity begin to unravel As the divorce process grinds on he forgets appointments and lets responsibilities slide An affair with his seductive secretary provides only temporary relief from a frightening descent into mental illness Now finally sicker than his own patients as people and events are misinterpreted and doors begin to close his comfortable suburban life recedes and murder becomes the only option left

The recognition of this offers a fresh opportunity to appreciate other kinds of bodiliness natural erotic symbolic and cosmic as well as communal This book in a perceptive and enlightening manner celebrates that opportunity Publisher *Not Born Digital* Daniel Morris, 2018-01-25 Not Born Digital addresses from multiple perspectives ethical historical psychological conceptual aesthetic the vexing problems and sublime potential of disseminating lyrics the ancient form of transmission and preservation of the human voice in an environment in which e poetry and digitalized poetics pose a crisis understood as opportunity and threat to traditional page poetry The premise of Not Born Digital is that the innovative contemporary poets studied in this book engage obscure and discarded but nonetheless historically resonant materials to unsettle what Charles Bernstein a leading innovative contemporary U S poet and critic of official verse culture refers to as frame lock and tone jam While other scholars have begun to analyze poetry that appears in new media contexts Not Born Digital concerns the ambivalent ways page poets rather than electronica based poets have grappled with screen memory that is electronic and new media sources through the re purposing of found materials Leaving Roxana Robinson, 2024-02-13 Wondrous This insightful complex story about a late in life romance is unforgettable Joan Frank The Washington Post What risks would you be willing to take to fall in love again I never thought I d see you here Sarah says Then she adds But I never thought I d see you anywhere Sarah and Warren s college love story ended in a single moment Decades later when a chance meeting brings them together a passion ignites threatening the foundations of their lives Since they parted in college each has married raised a family and made a career When they meet again Sarah is divorced and living outside New York while Warren is still married and living in Boston Seeing Warren sparks an awakening in Sarah who feels emotionally alive for the first time in decades Still she hesitates to reclaim a chance at love after her painful divorce and years of framing her life around her children and her work Warren has no such reservations he wants to leave his marriage but fears how his wife and daughter will react As their affair intensifies Sarah and Warren must confront the moral responsibilities of their love for their families and each other An engrossing exploration of the vows we make to one another the tensile relationships between parents and their children and what we owe to others and ourselves Leaving is a tour de force unfailingly clear eyed and its final impact shatters Washington Post **The New York Times Film Reviews 1999-2000** New York Times Theater Reviews, 2001-12 From the Oscar winning blockbusters American Beauty and Shakespeare in Love to Sundance oddities like American Movie and The Tao of Steve to foreign films such as All About My Mother the latest volume in this popular series features a chronological collection of facsimiles of every film review and awards article published in The New York Times between January 1999 and December 2000 Includes a full index of personal names titles and corporate names This collection is an invaluable resource for all libraries Culture Michael H. Agar, 2019-01-02 Culture How to Make It Work in a World of Hybrids offers a compelling and original way to think about promoting connections across human differences in our global society This book provides a fresh vision for the core anthropological concept of culture one attuned to our contemporary

global society where people receive hybrid cultural influences from many places in many ways Providing a stimulating look at one of the most basic topics in social science it is written without academic jargon is rich in humor and is replete with provocative examples making it accessible to undergraduate students in anthropology and other social sciences as well as to scholars and non academic readers in fields where the fostering of intercultural or as this book argues inter hybrid communications is vital Michael Agar explores two meanings of culture culture as a label for the beliefs and practices of a specific group and culture as marking the boundary between modern humans and our ancestors together with the rest of the animal kingdom although this book acknowledges that that boundary has changed to a slippery slope By looking back at the emergence of language and culture through a broad range of the social and natural sciences those human universals that make connections across human differences possible as well as those that constrain that ability are identified This book concludes with a discussion of social perspective taking as a promising approach toward the development of a shared languaculture by any group of diverse hybrid humans who need to work together to accomplish whatever task is at hand
