*Mental Health in Later Life* Alisoun Milne, 2020-02-19. Focusing on mental health rather than mental illness, this book adopts a lifecourse approach to understanding mental health and wellbeing in later life. Well-respected author and scholar Alisoun Milne explores the influences of lifecourse experiences, structural inequalities, socio-political context, history, gender and age-related factors and engages with new ways of thinking about preventing mental ill health and promoting mental health in later life. Drawing together material from a number of different fields, the book analyses the meaning and determinants of mental health among older populations and offers a critical review of the lifecourse, ageing and mental health discourse for students, professionals, policy makers and researchers.
